

## Laxity in Regulation And Control Found in Onondaga County Jail

State Correction Commissioner Gives Report on Conditions Resulting in Escape of Three O'Connell Kidnappers.

### NOT TRAINED

Report Declares Personnel Untrained to Care for Duties in Penitentiary.

Albany, N. Y., Nov. 26 (AP).—The New York state correction commission reported today "a laxity in regulation and control" at the Onondaga county penitentiary at Jamestown, N. Y., where three convicted O'Connell kidnappers escaped November 16.

"Members of the guard force were unanimous in stating that at no time had they received any instruction as to the searching or risking of cells for contraband and that at no time had they made such examination," the commission said.

The report was made after an investigation conducted following the escape of John Oley, Percy (Angel Face) Geary and Harold (Red) Crowley, facing federal prison terms for the 1932 kidnapping of John J. O'Connell, Jr., of Albany.

"The entire system of supervision obtaining at this institution indicated a laxity in regulation and control which should not, under any circumstances, be permitted to continue," the commission said.

Suggests State Management. "On many occasions it has been urged by the state commission of correction that the state, through legislative enactment, be empowered to take over the management and control of penitentiaries, except the penitentiary of the city of New York.

"In that event, the cost of maintenance and operation should continue to be a charge upon the county in which the institution is located.

"If this procedure were followed, it would result in appointments to institutions of this type being subjected to a three month course of intensive training, as is mandatory for similar employees of state prisons. The commission feels that only by following such a procedure can competent and efficient administration of these institutions be established and maintained.

"It is our further conclusion that had the personnel been adequately trained, they would, as a result of this training, have acted with more decision and directness."

The commission sent copies of its report to Governor Herbert H. Lehman, Superintendent Herbert H. Paddock of the penitentiary, and the Onondaga county board of supervisors, which appoints the superintendent and supervises the institution. The report was signed by Edward P. Mulrooney, chairman of the commission, and Walter W. Nicholson, Cecilia D. Patton, John L. Schoenfeld and Edward R. Cass.

Saved Way to Freedom. Oley, Crowley and Geary, who had been in the penitentiary pending an appeal of their kidnapping sentences, are now in the Albany county jail. They fled from the Jamestown institution after Geary saved his way to freedom, and then forced guards to liberate his companions.

Federal agents said the charges against Mrs. Oley and Mrs. Geary, already under indictment for harboring their husbands as fugitives from justice, came as a result of their resentment to questioning on their husbands' futile break for freedom.

The commission said that testimony in its investigation showed that lights in the Onondaga Penitentiary were extinguished at 8 p. m., six hours before the break, making it difficult to distinguish the occupants of the cells.

"The cells were not closely examined, and no flashlights were available or used for this purpose," the report asserted.

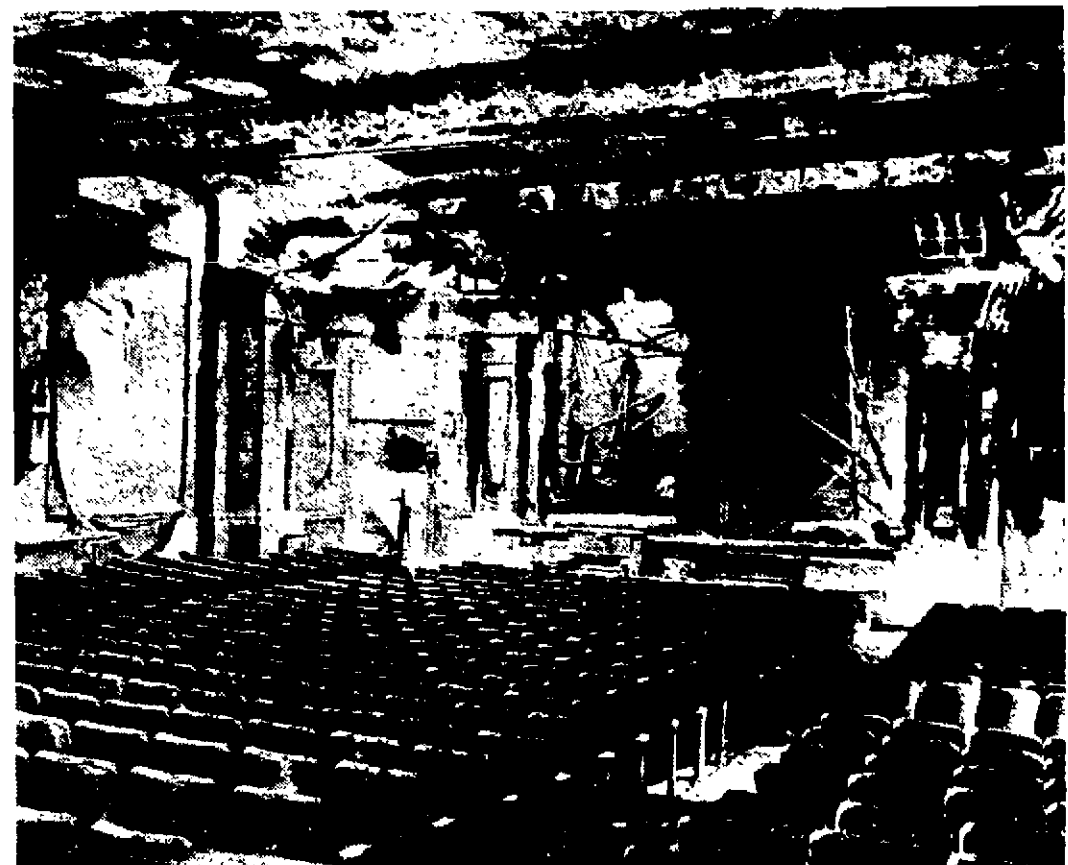

"Examination indicated that two bars in cell No. 2 occupied by Geary and one bar in the partition dividing the prisoners and guards' corridors, had been sawed and replaced. In both instances, the sections of bars removed were those nearest the floor.

"Thereafter, two knives which had been notched and evidently used for the purpose were found in one of the cells. The guards, with one exception, were positive in their statements that the prisoners were armed with two revolvers which were described as one nickel and one blue steel.

"The conclusion is inescapable that these knives and weapons could not have come into the possession of the prisoners except through gross carelessness or collusion on the part of the personnel.

"While there were 15 time clocks in the institution that had to be rung every hour, with the exception of the two in the power house, which were rung by Guard Earl Brown, the 13 other clocks were rung as the result of an agreement among the remaining guard force.

## After Ellenville Theatre Fire

The above photo, by Cozenza, gives some idea of the effect of the destruction that destroyed the stage and rear portion of Shadowland Theatre, Ellenville, and besides burning or ruining equipment more or less damaged the entire interior of the theatre.

According to John Spadaro, proprietor of Shadowland, this scene will be changed within six weeks or so, with everything spic and span and up to the minute, in addition to an enlargement of seating capacity from 600, as it is at present, to 1,000. Just how the increased capacity will be gained has not been settled, but it will be either by adding a balcony, or by setting the stage back, utilizing space at the rear of the theatre.

Mr. Spadaro says that as large a force of men as can be used will be put to work on the job Monday, and the work rushed. He hopes to have the work sufficiently completed so as to permit the showing of pictures within four weeks, perhaps less. Cost of repairs and new equipment is estimated at \$50,000 by Mr. Spadaro.

## Governor Tells Dewey To Submit Petition on Conduct of Marinelli

### Mayor Heise'man To Speak Monday At Zone Session

New York, Nov. 26 (AP).—Thomas E. Dewey, district attorney, was called upon today to prove his election campaign charge that County Clerk Albert Marinelli, a Tammany leader, was "an ally of thugs, pick-pockets, dope peddlers, and racketeers."

Governor Herbert H. Lehman in a letter last night to the man who, until the November 2 election, served him as special racketeers prosecutor, told Dewey:

"If you desire to submit a sworn petition containing specific charges and specifications as to the acts and conduct of Mr. Marinelli which would make him subject to removal as clerk of New York county it will, of course, receive careful and prompt attention."

"In view of the time element (Marinelli's term expires December 31), I would ask that if you desire to file with me such a petition and charges, you do so immediately."

Dewey announced he would give the matter "immediate attention" and reply to the governor as soon as he had studied the papers, which were in his hands today for the first time.

Dewey's attack on Marinelli was clerk issued a denial of the charges Wednesday. In the 19-page statement, he said, he had never "taken a dishonest dollar."

Samuel Untermyer, Democratic attorney, said in a statement shortly before Governor Lehman's letter was made public he thought the governor should do nothing with the Marinelli matter.

"It was never anything more than idle, empty gestures," said Untermyer. "It was a blunder of the Democratic party not to have insisted upon Mr. Marinelli answering the slander at once. I am not acquainted with Mr. Marinelli, but his statements bear all the earmarks of truth."

Cars Collide. A car driven by Michael Lee-biv, of 222 East Union street, and a car operated by Rudolph Rosler, of Rosendale, were in collision just beyond the River place on the Rosendale road at Maple Hill at 8:45 o'clock Thursday evening. Both cars were badly damaged and Betty Rosler, eight years old, suffered a bruise on the head. State Trooper Arthur Reilly and Deputy Sheriff McCullough responded to a call but no arrests were made.

Cyclist Hit by Car. Mrs. John Koskie of New Salem reported to the sheriff yesterday that a son, Edward, 12 years old, had been struck by a Ford car on the Port Ewen road at 4:45 o'clock as he was riding his bicycle. He suffered injuries about the head, arm and various cuts and bruises. His glasses were broken. Detectives Brown and Vredenburg made an investigation. The driver of the car failed to stop after the accident.

Justice Pays \$10. Ballston Spa, N. Y., Nov. 26 (AP).—The holiday spirit delayed Peace Justice George Hewitt's turkey dinner and cost him \$10. The justice himself paid the fine of a man arraigned before him yesterday for casting without a license, after the sheriffman, lacking \$10, had languished for two hours in jail.

### Chinese Defenses At Lake Tai Fall As Japs Push Forward

Shanghai, Nov. 26 (AP).—Spears of Japan's Shanghai forces tore into the heart of Chinese defenses today in a drive their commander-in-chief declared would force speedy collapse of Generalissimo Chiang Kai-shek's regime.

Field officers sent back word to Japanese headquarters that their troops had crossed Lake Tai, the great natural barrier between Shanghai and Nanking, for a push forward against the virtually evacuated capital.

General Isane Matsui, commander of Japanese forces, proclaimed in an interview with the Japanese Shanghai United News that his armies might be forced to invade the interior far up the Yangtze from Nanking unless Chiang's government ends its resistance.

"Nanking must abandon its policy of depending upon European and American countries and understand that their support of the Chinese policy never will contribute to security and peace in the Orient," he asserted.

The general added a prediction, however, that the Chinese regime would fall soon, bringing about "various troubles" which would be settled under Japan's guidance. Chiang, he said, must be brought to terms.

In Nanking, Chiang appeared undaunted by the Japanese march up the Shanghai peninsula.

Will Resist to End. "China will resist to the last man," he said. "I am confident that night will overcome night."

This afternoon's reports from the front as given out by the Japanese spokesman were that Japanese troops had crossed to the western shore of Lake Tai some 20 miles southeast of Nanking, in a make-shift fleet of junk and sampans. Other Japanese detachments advanced westward from fallen Wushu, which had been a strong point of the Chinese defense line, to Wulin, 20 miles beyond.

Chinese officers said Japanese had been repulsed in their assaults on Kiangyin forts, northern terminus of the front, forcing the Japanese to change their strategy and prepare an attack from the north bank of the Yangtze.

Shanghai's acute food shortage, which yesterday sent mobs of hungry Chinese refugees to the shops, was relieved today with the arrival of a rice-laden ship. International settlement officials considered the newly-loaded 85,000 bags sufficient for two weeks. Another shipment of 3,000 bags was on its way.

### G-E Bonus Payments.

Schenectady, N. Y., Nov. 26 (AP).—General Electric Company workers of five or more years' service will receive this year more than double the amount paid in 1936 under the company's profit-sharing plan. President Gerard Swope said today the \$7,700,000 recently announced as available for distribution on December 20, would bring the total bonus payments for the year to \$5,800,000.

Residents of Southbury, Conn., were led by George A. Holmes, laborer, World War veteran, in protesting against establishment at Southbury of the third and largest camp of the German-American Bund. He authored a resolution adopted which termed the camp "this menace to our constituted government."

## 125 Children Feast At Strand Branch Of Salvation Army

At 1 o'clock yesterday afternoon the Kingston branch of the Salvation Army at its headquarters on East Strand was host to approximately 125 children at a bang-up Thanksgiving dinner.

The menu, tastefully prepared and served on tables decorated in the spirit of the holiday, consisted of roast turkey, dressing, peas, potatoes, gravy, biscuits, cranberry sauce, milk, ice cream, cookies and apples with second servings for all.

While the children were enjoying the splendid feast, Mayor Heise'man called and, upon seeing the noble work and the happy faces of the children, praised the Salvation Army in general and its local staff in particular for the efforts put forth to make little children happy. Many of the children were from families where economic adversity prevented Thanksgiving enjoyment; others were from homes where either one or both parents were ill and unable to prepare the dinners.

One by one, after they had eaten their feasts, the tots thanked Adjutant Soller and his assistants and filled out of the headquarters. Many showed they were at peace with the world and went out with a feeling of well-being to which they were unaccustomed.

The downtown branch of the Salvation Army has been open since March of this year and is in charge of Mrs. Lillian Sierles and Fred Holstead.

In addition the Salvation Army supplied 16 families with Thanksgiving baskets. In these groups were 62 children and 27 adults.

At the end of the feast on East Strand the remaining portions were given to the children to take home.

## Clues Sparse in Effort to Solve Detroit Murder

Detroit, Nov. 26 (AP).—A theory pointing to hired assassins "from the outside" forced police into a wide-ranging search today for the Thanksgiving Day killers of Harry Millman, underworld figure, but clues were sparse.

Save for the finding of a green hat possibly dropped in flight by one of the two gunmen who poured ten bullets into Millman at a cocktail bar early yesterday, detectives admitted little progress in an investigation centering on rackets.

Cooperation of neighboring cities and New York authorities was sought on a cold trail, while police reasoned that the killers, who fled in an automobile bearing New York license plates reported stolen, may have been "imported" by enemies here of Millman.

Two wounded associates of the slain former "Purple Gangster" Harry Gross and Harry (Hymie) Cooper, gave police little aid in the effort to identify the killers.

Gross, who worked in Millman's horse race handbook, remained in critical condition from bullet wounds in abdomen, shoulder, and back. Cooper, slightly wounded, is a police prisoner. The condition of Abe Betensky, wounded bystander, was reported critical.

Making a solution more difficult, Detective Piel said, was the fact that Millman's only activity known to authorities was operation of the handbook. Rumors were checked that Millman, young prohibition era hoodlum, had been trying to "muscle in" on rackets.

Prosecutor Duncan C. McCrea, who said he had been "tipped" three weeks ago that "something was stirring in the local underworld," demanded a roundup and prosecution under Michigan's so-called "public enemy law" of all known police characters.

Another wounded bystander, Harry Shulak of Toledo, shot in the left side and hand, was reported recovering.

## Will Attempt to Restore Confidence and Stimulate Industry by Asking Private Financing of Housing Program.

### CAREFUL ACTION

President Wary of Nation's Press, Wants Careful Consideration of Legislation.

Washington, Nov. 26 (AP).—President Roosevelt said today he wanted tax revision as such as Congress is ready to go ahead with it.

As further moves to restore confidence and stimulate industry the President told his press conference he would send a message to Congress Monday recommending legislation to spur private financing of a large scale housing program and another Tuesday proposing curtailment in the annual appropriations for federal aid in road building.

A fourth step, Mr. Roosevelt disclosed, involves a presidential letter to department heads to allocate federal purchases of supplies for 1938 on a basis of seven months of the current fiscal year and to speed these up instead of spreading them over until June 30.

Asked if he favored tax revision as an aid to business now, or at the regular session starting in January, the President joked with his questioner and asked if he had been reading the newspaper. Mr. Roosevelt advised reading his message to the special session which he said made very clear that tax revision was desired.

In other words, he added, he wanted tax changes when Congress had them ready to be made. With a smile, however, he said he did not want to fly in the face of critical editorials of the past which warned against undigested legislation that is the White House just handing in bills to a rubber stamp Congress.

Cautious Consideration. He emphasized all legislation should be considered thoroughly. The President said his message Tuesday would say that the time had come to trim the annual road authorization bills. He noted that the government was now spending approximately \$200,000,000 compared with \$50,000,000 for \$50,000,000 prior to 1933.

The practice of authorizing such appropriations a year or two in advance was unwise, he said. He added that under this system future Congresses were more or less obligated to appropriate the full amount authorized because after passage of authorization bills the secretary of agriculture was required to notify states before January 1 as to what their share would be.

Thus, the authorization was more than that, the chief executive remarked; it became a tender, and all the states had to do was to make the tender and it obligated the federal government.

The President, in his letter asking federal agencies to hasten purchases of supplies to stimulate winter industrial production, will point out that the government's requirements between now and June 30 involve an expenditure of \$245,000,000.

Estimate Furnished. This estimate was furnished him by the treasury's procurement division.

In still another move to aid industry, the President said he would continue his conferences with power utility executives when he returns from the south early next month. He wants them to undertake an expansion program.

At one point in his press conference President Roosevelt reiterated that the United States government would keep on trying to bring about world peace. He made the statement when asked what if any steps were under consideration now that the nine-power conference at Brussels on the Sino-Japanese conflict had recessed.

The President's meeting with newsmen today was the first to be held in the White House executive offices in nearly two weeks. Mr. Roosevelt has been suffering from an infected tooth.

Tomorrow night he will leave for Miami to be gone for nine days.

Two Donors Selected. Windsor, Ont., Nov. 26 (Canadian Press).—From a list of 1,500 offers of blood transfusion, doctors today selected two persons who may aid two young men afflicted with a rare and deadly infection, known as streptococcal viridans.

Putnam Reports Thefts. Hollywood, Nov. 26 (AP).—Burglars took \$50 cash and \$50 worth of rare liquors from the home of George Palmer Putnam, husband of the missing aviatrix Amelia Earhart, police said today.

## Nation's News in Brief

Washington, Nov. 26 (AP).—Approximately \$10,335,927 in Federal funds for highway and grade crossing projects will be allotted New York state for the fiscal year starting next July 1, the Bureau of Public Roads estimates.

President Roosevelt's home state received this year the second largest amount allotted for public roads. Texas was first with \$12,273,957.

They Own the Town. Atlantic City, N. J., Nov. 26 (AP).—New York's "Grand Street Boys"—some of them millionaires, some of them Supreme Court justices, some of them up-and-comers in the workaday world, but all of them still Grand Street Boys—have taken over the town.

Most of them are over 50—and most have their wives along. The assemblage, all claiming East Side New York origin, will wind up the jamboree Saturday night with a formal dance—Tux and all.

Says Emotions Valuable. Houston, Texas, Nov. 26 (AP).—Educators no longer "look upon the emotions as a disease, which we can get rid of by a kind of inoculation," Dr. Henry McCracken, president of Vassar College, told the Texas Teachers' Convention here.

"We have abandoned, too," he said, "the social code which pretends any surrender to emotions is indecent."

Instead, Dr. McCracken said, the emotions can be used to advantage in education "as the most powerful source of human action."

Bit of Cargo Found. Miami, Fla., Nov. 26 (AP).—A few floating logs and other bits of jettisoned cargo were the only finds for searching ships today in a forlorn hunt for the British freighter, Nollington Court, apparent loser in a brave three-day fight to reach harbor with a hole ripped in her hull.

Seventeen sailors were missing with the ship, which had been lurching toward the safety of Tortuga Island in the Caribbean Sea since colliding with a sunken object off Turks Island Tuesday.

Prays for Lover. Elizabeth, N. J., Nov. 26 (AP).—Seventeen-year-old Rose Musto, who worked hard in a factory and saved for that happy day next spring when she was to wed young George Vaccaro, wept today over her father's bier and prayed that her sweetheart might survive the bullets from the gun that killed her parent.

Enraged by his daughter's love for the youth, Detective Captain Hugh Martin said, 50-year-old Antonio Musto shot the boy in the neck and killed himself yesterday.

## K. of C. Minstrels Round Into Shape

On Sunday afternoon at St. Joseph's hall, on Monday evening at St. Joseph's hall and Tuesday evening at St. Mary's hall the minstrel show sponsored by Kingston Council No. 275 of the Knights of Columbus will be given. The cast is rehearsing every evening this week in order to insure the ut-

most perfection in the execution of the minstrel. The first part is devoted to songs and gags. The interlocutors will be City Judge-elect Matthew V. Cahill, who has played the same role on numerous occasions heretofore. The end men will include Frank Reis, Charles Reis, Phil Stiel, Bob Donnarumma, Bill Murray, John Melville and Vince Connelly. Standout among the end men is Bill Leehive, whose rendition of "They Go Wild, Slim, Wild Over Me" will meet with the greatest acclaim by all true

lovers of music of a classical nature. As a contrast to the songs of the end men will be the songs rendered by the ballad singers. They include Bill Rabble, John Rabble, John Milne, William "Spot" Gilden and John Marden. In the second part will occur a mock trial and a Roman burlesque. City Judge-elect Matthew V. Cahill will play the part of Judge M. Hasty. It will be found that his perspicuity on legal rulings will only be equalled by his ability at spitting tobacco. Attorney William A. Kelly will represent the defendant. As Clarence Sparrow he will deliver a summation that can only be compared with a masterly oration of Demosthenes. Attorney Vincent G. Connelly will depict the part of the prosecution, I. Hangem. His booming imprecations at the poor defendant will undoubtedly send shivers through the audience. In the Roman burlesque Bill Leehive will represent Julius Caesar. Replete with comedy and laughter the burlesque will round out a performance that should be attended by all local lovers of drama.

## Satiny Texture, 'Delightful' Fragrance Make Freesia Popular

Freesia

The satiny texture and delightful fragrance of the freesia have made it a beloved member of the floral family this time of year. But it was not always so, for only in the last few years have we seen this delicately colored flower in its fullest beauty.

Plantmen tell us that the modern giant freesias originated from a single white species and that all of the lovely shapes and flatter colors are descended from this single species. It is only in the last quarter century that we have recognized it, although it has been known to cultivation since 1816.

Its first popularity came as a garden subject, where the florist

discovered it and began its meteoric career to stardom as an accessory to Mlad's costume and a decoration for her home. Up until this time, it had remained a white flower, and the ideal in developing it was to make it a perfect white.

Today color has found its way into the strain and rose, lavender, pink, orange and brilliant yellows make it more adaptable for use as a cut flower. Like many of the other spring flowering bulbs, it has its winter season, but unlike the tulip this early season is the most important, and lasts from December to early spring, when the flowers begin their short and precarious season in the garden, for it is not a hardy subject in cold climates, and frost is likely to get it all too soon if left unprotected.

The hybridists have done much work on the freesia, and the results are gratifying. They have increased the size of the flower by carefully selecting only the largest and most perfect flowers and planting and replanting the strain. The length and size of the stem, greater number of flowers in a cluster, greater range of colors have all come in for development. Fortunately, the delicate perfume has been retained, something which is too often lost under the strain of high breeding.

## It Is Time to Wear Chrysanthemums

One of the great flower families, developed for centuries by the plant breeders, the chrysanthemum has no rival in the variety of size and coloring, which it provides.

Chrysanthemums are particularly suitable for costume adornment, especially for informal and sports wear, and the ponpon types makes excellent boutonniere.

It is a versatile flower and few others have been so responsive to the expert florists efforts to develop and improve. New colors are always being produced, until now there is a variety of them, which is a fair rival the gladiolus cannot exceed.

Although we think of chrysanthemums more often as large flowers, it is the small varieties which have come in for attention in recent years. As material for personal wear, as well as decorative arrangements, it is difficult to equal them. Bronze, yellow, gold, buff and maroon are the most popular colors. They keep well. This is an important quality for flowers which must appear perfect throughout the day or evening. They are also grown as pot plants, which will flower indoors for weeks with a little care.

### WAYS OF FORCING BULBS FOR WINTER BLOOM INDOORS

By The Master Gardener.

Bulbs may be forced in a number of mediums—they may be grown in soil, in bulb fiber, or in pebbles and water. However, the gardener who uses soil for a forcing medium has a greater range of material to select from than when fiber or pebble-and-water culture is used, since only certain types of bulbs are adaptable to these two latter methods. In using soil as a potting medium, mix a small amount of complete, balanced plant food thoroughly with the soil before potting the bulbs.

In all methods, however, these two fundamental rules must be followed for success:

Secure good healthy bulbs. Better and stronger bulbs are needed for indoor culture than when the bulbs are grown outdoors. This applies particularly to bulbs such as the Paper-White Narcissus, Chinese Sacred Lily and other bulbs grown in pebbles and water, for they get no nourishment other than that contained in the bulb itself.

After planting, be sure that a well-developed root system is established before permitting any top growth. A good root system may be established by placing the pots or other containers in which the bulbs are planted in a dark closet, or cellar, where the temperature is from 40 to 50 degrees F. Or, better still, bulbs potted in soil may be buried outdoors in a trench 2½ to 3 feet deep where drainage is good. Bulbs should be sufficiently rooted eight to ten weeks after planting—time will vary with the type of bulb. If plants are kept in too warm a place before sufficient growth has been made, the leaf growth may be weak and the flowers, if any, will be stunted.

After a good root growth has been made, the pots should be taken up and put in a semi-dark, cool place. As soon as top growth is well started, apply a fertilizer of complete balanced plant food and give more light, but continue to keep in a cool room. When the flower buds begin to show clearly, the plant can gradually be brought to direct sunlight. Hyacinths especially should not be brought into strong light until the flower spike is well advanced, otherwise the top few bells will turn green.

When about to burst into bloom, the pots may be brought into the living room. Keep well

## Chrysanthemums For Decorations

Ithaca, Nov. 26.—Chrysanthemums in homes for Thanksgiving can be kept much longer than the holiday period; they will last two weeks or even longer with the right care, according to Dr. A. M. S. Priddyham of the New York State College of Agriculture.

He gives some suggestions to keep them longer: Choose a roomy vase and wash it with soap and boiling water. This precaution helps to control the decay of stems and especially any leaves that are under water.

Then take one blossom at a time, hold the stem under water, and cut off about one-half inch of the stem with a slanting cut. Trim off the lower leaves. Spray the blossoms and upper leaves with water.

At night put the flower in a cool place, and every morning trim the stems and give them fresh water.

If the flowers wilt, take the bouquet apart, and float the flowers in a tub of cold water about an hour. Do not submerge the individual flowers, merely float them on the surface. Recut the stem ends, and place the blossoms in the freshly cleaned, freshly-filled vase.

The man who wrote a book without once using the letter "e" has a rival in this sort of stunting. A Georgia preacher has now brought out a 13,000-word novellette in which all the words begin with "s." He admits the work is a little hard to read, especially aloud.

Watered until through blooming. If the atmosphere is kept fairly cool the blooms will last longer.

## Talks at Mt. Marion On Social Security

Members of the Saugerties-Ulster Men's Club, at their monthly meeting at Mt. Marion Tuesday night, elected officers for the coming year and heard an interesting address by John Form, head of the Social Security office in Kingston.

The present officers of the club have given such satisfaction that on motion of William Hooke they were re-elected for 1938. The officers are: H. Clinton Finger, president; William Myer, vice president; Pratt Boice, treasurer; Daniel Morehouse, secretary; Rufus Freer, sergeant-at-arms.

Mr. Form, who said that the Social Security Act affects everyone in some way or other, although many, including farmers, do not come directly under its provisions, went back to early Bible records to form a basis for his remarks. He referred to the provision that was made during the seven "fat" years for the hardships that could be looked for when the seven "lean" years came. He referred to the aggressions throughout history on the part of nations who primarily were motivated by thought of national security and betterment. He found this still under way today and cited Japan's subjugation of Manchukuo a few years ago. Italy's seizure of Ethiopia and Japan's present campaign in China.

As to the need for the Social Security Act, Mr. Form said that while it was true that Americans enjoyed the highest average wages of any country, they were not

high enough to provide for the future and that as a rule most of the people at best lead a hand-to-mouth existence. He said that in 1929 the average wage was \$1,100 a year, but it was estimated that at least 40 per cent of the people earned less than \$1,000 and 12 per cent of the remainder \$500 or less.

Then, too, there were the emergencies created by accidents and otherwise. As to the former, he said, 100,000 people will be killed and 1,000,000 injured in 1937, with all that means in dependents not provided for. Then, too, he said, the displacement of men by machinery, the turning of occupations caused by modern advances and change of custom and the tendency to give employment to younger men and women, are hazards that are being faced and that add to unemployment, which at any time accounts for three or four million of the population of the country.

Mr. Form said that the act was not a panacea for all ills, but held that it was "the most far-reaching act of social legislation in our lifetime" and would help to correct the situation.

The speaker went on to give details of the working of the Social Security Act and said that already in the Kingston office, over 200 claims had been paid. He added that up to September 30 receipts under the provision of the act had totaled \$760,000,000.

An interesting discussion followed Mr. Form's talk, in the course of which it developed that his hearers were very familiar with Mark Sullivan's recent article on the financial aspects of the law and his claim that actually there was no such thing as a reserve fund from which to pay benefits under the act when they were due. The speaker very obligingly

and good naturedly answered all the questions put to him and, even if he did not solve all the perplexities he demonstrated that he was well versed in the provisions of the law and the hopes and intentions of those responsible for it. Refreshments were served at the close of the meeting.

## Who Wants to Be Slave to a Pill Box?

Millions of people who used to be cathartic-slaves have found relief from common constipation—and from pills and purgatives, too! Keep regular as they do, with a NATURAL food laxative—Kellogg's All-Bran.

All-Bran is not habit-forming. It supplies TWO things your intestines need. First, it's a good source of vitamin "B"—the amazing vitamin that tones up your intestinal tract. Second, All-Bran provides "bulk"—it absorbs water and softens like a sponge. This water-softened mass aids elimination.

Kellogg's All-Bran is a crunchy, toasted cereal. Eat it with milk or cream and fruits. In muffins it's delicious. But however you eat it, use it REGULARLY: eat two tablespoons of All-Bran and drink plenty of water. If you do this every day you can avoid common constipation and cathartics, too! Every grocer sells All-Bran. Made by Kellogg in Battle Creek.

## Taxpayers Fight Woodstock Town Hall Proposal

Woodstock, Nov. 26.—A group of taxpayers who are members of the Woodstock Citizens Union, after much consideration, have found enough evidence that legal flaws exist in the promotion of the Townhall Fire House to warrant the engaging of Thomas J. Plunket, Kingston attorney, to make a further investigation of records of past proceedings. Feeling that the hall will not provide the advantages which were intended to be considered by the taxpayers.

It now appears that the \$32,000 to be expended will not provide the fireproof building originally intended. There will be no retaining wall to provide the flood protection so necessary in its location. The location allows no parking space for the use of the auditorium which is intended as a source of income. There will be no seats, no kitchen equipment, no furnishings.

In other words the Citizens Union feels that considerably more than \$32,000 will have to be spent before the building can be made usable.

Whether to proceed with any action against the construction of the hall will depend on the report of Mr. Plunket, who will communicate with his clients today, after checking the legality of the resolution drawn up by the Town Board. Whether the proposition voted on by the taxpayers will be carried out by the building now under construction is the doubt.

raised by the members of the Union, who quote the fact that plans were revised and altered after the voting on the project. The revising was made necessary when the one bid which was received on the building proved to be higher than the money voted. Even that was considerably lower than the tentative figures arrived at by other local contractors, who have stated that the building cannot be put up, as planned, for less than \$40,000.

## Greater Savings In Nearby Cities

Albany, N. Y., Nov. 26 (AP)—New York Christmas savings club members will have \$21,818,686 to spend this year, setting a new record for the fourth successive year, the Savings Bank Association of the State of New York reported today.

This showing was made in the face of a general decline of about 19 per cent in Christmas Club savings in banks throughout the country. The increase was \$3,160,522 or nearly 17 per cent over 1936.

Ever since Christmas savings clubs were formed, there has been an annual gain in membership, the association said. This year's distribution to 526,396 members marks an increase of 101,551 or nearly 17 per cent over last year. The average individual deposit of \$11.55 for 1937 was slightly less than last year, however.

Banks in Group 1—Buffalo, Lockport and Rochester area—showed the greatest gain in deposits, 39.68 per cent, while those in Group 5—Brooklyn, Staten Island and area—had the largest increase in membership, 29.01 per cent.

Deposits and depositors, with the percentage of gain, included: Group 3—Albany, Amsterdam, Hudson, Poughkeepsie and Schenectady area—\$2,731,913 and 37.548; 11.31 and 9.58 per cent. Group 4—New York city and Westchester county area—\$7,104,242 and 158,041; 16.54 and 24.54 and 24.07 per cent.

## IT'S ODD But It's Science

By HOWARD W. BLAKESLEE  
AP Science Editor

New York—After scientists finish learning how to control river floods, they can turn attention to the rampages of the Gulf Stream.

This river of warm water flowing across the Atlantic ocean does not stay "within its banks."

WHAT WE NEED ON THIS OCEAN IS FLOOD CONTROL.

Its swings are wider than an Mississippi river floods.

The observations are given in the Progress Reports of the Biological Board of Canada. For eight years this board, the Canadian Meteorological Service and Canadian Steamship company have been trying to find out what happens to the stream south of Halifax.

It is usually 70 miles wide and 300 miles south of Halifax. But sometimes its northern edge widens out, like a stream overflowing. The "swing" covers 180 miles, placing the stream sometimes within 240 miles of Halifax and sometimes 420 miles away.

The shifts seem to be cyclic. There is no information on what meanwhile happens on the southern edge of the stream. The rampages, it is concluded, are sufficient to affect the climate of some portions of the Atlantic coast. They do not, the board reports, indicate any reason for believing the Gulf Stream is permanently shifting.

## Clinton Chapter O. E. S. Reception

Friday evening, November 12, Clinton Chapter, Order of the Eastern Star, tendered a reception to Most Worthy Sister Alice M. Scardefield and Right Worthy Brother George B. Styles, who had been elected to important state offices at the last grand chapter held in New York city. Miss Scardefield had been elected grand treasurer, and Mr. Styles associated grand sentinel. Preceding the meeting a banquet was served in the Fair Street Reformed Church. The banquet committee was headed by Mrs. Laura S. Winters.

The honored guests were welcomed in the chapter rooms by Mrs. Georgianna Fraser, worthy matron. Among the guests were Mrs. Beulah L. Walters of Buffalo, grand matron of the State Eastern Star; Mrs. Georgianna Scardefield of Yonkers; Mrs. Annie M. Pond, grand secretary; Mrs. Mary B. Johnson, Mrs. Nan Reid Clark and Mrs. Nettie V. Higgins; Mrs. Mabel Klaffky of Huntington, L. I., grand conductress, and Mrs. Reuben Castor, of West New Brighton. Also present were Mrs. Maude White, district deputy of this district, and Chester Canniff, district grand lecturer.

During the reception a degree was given by the worthy matron to the honored guests. The officers of the chapter built a temple, each one laying a brick and expressing good wishes to the guests. Mrs. Fraser presented the chapter's gift. During the service Mrs. Muller sang "Open the Gates of the Temple."

Following the close of the chapter a fine entertainment program was presented. Mrs. Grace Smith and Mrs. Gladys Muller sang a duet, "Love's Old Sweet Song," and also "Drink to me Only With Thine Eyes." Mrs. Smith sang "Little Old Lady" as a solo. Readings were given by Mrs. Edith Taylor and her daughter, Marjorie.

Mrs. Fraser announced that two of the chapter's members had recently celebrated their 40th wedding anniversary. They were Mr. and Mrs. George B. Styles. At the next chapter meeting "Advance Night" will be observed.

#### A Prayer of Thanks

Thank God for dawn, the song of birds,  
Awakening earth, and browsing herds.  
Thank God for work and well-filled day,  
The power to serve along life's way.  
Thank God for friends, and fire-side talks,  
Inspiring books and pleasant walks.  
Thank God for night and silence deep,  
Protecting love and peaceful sleep.  
—Grenville Kleiser

#### Apprehension

We've known us such a little while  
But you have felt so free  
To talk of girls you knew before,  
You've told so much to me.  
How you, at first, thought each was true,  
The traits which you admired,  
And then of little things which made  
Your change—and you grew tired.  
Night now you see no fault in me;  
And oh, I love you so!  
I wonder if such bliss can last!  
Or must it—some day—go?

You hold me close—I feel your lips,  
In fear, I breathe a prayer,  
Would these sweet lips—some time—some place—  
Discuss our love affair?

A tourist visiting a country fair,  
Stopped by a merry-go-round.  
Presently he noticed a little man  
Seated on one of the wooden horses.  
What struck him as strange was that every time  
The merry-go-round stopped the little man  
Made no move to get off the horse.

At length curiosity overcame

Sweeten it with Domino  
pure cane—clean—full weight  
Refined in U.S.A.

the tourist, and when next the man on the horse stopped opposite him he said: "Pardon me, sir, but do you enjoy going round and round like this?"

The unhappy one grimaced. "Not a bit," he replied. "Then why do you do it?" asked the tourist.

"The man who owns this contraption owes me five dollars," informed the little man, "and this is the only way I can get it."

Thanksgiving comes but once a year—we'll take a piece of white meat dear!

#### Thanksgiving

The roar of the world is in my ears.  
Thank God for the roar of the world!

Thank God for the mighty tide of fears  
Against me always hurled!  
Thank God for the bitter and ceaseless strife.  
And the sting of His chastening rod!

Thank God for the stress and the pain of life.  
And Oh, thank God for God!  
—Joyce Kilmer

Worry is the price you have to pay for being an intelligent human being instead of being an animal.

Saul—I was so hungry that the moment I got in I began eating the tables.

Paul—Do you expect us to believe that? What sort of tables? Saul—Why, vegetable, of course.

"People are pretty much the same the world over," asserts a writer. Aw, don't be so pessimistic.

Dinner—Waiter, look at the ends of this sausage.

Waiter—What's wrong with them, sir? Dinner—They're very close together, aren't they?

Our fathers and mothers called them "tramps" and "bums". Now we soft soap them as "transients".

Tale Lights—When a couple marries the woman is merely trying her luck, while the man is risking his.

There is no medicine to cure the loss of enthusiasm.

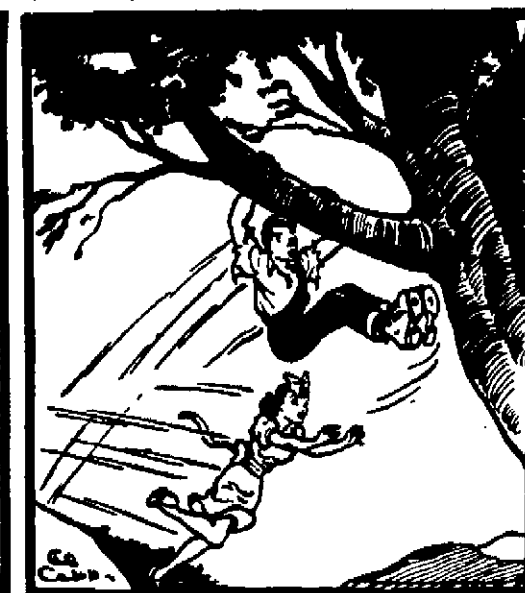

#### RIFFON.

Rifton, Nov. 24.—On Saturday evening, November 20, a wedding of great interest to this village took place when Miss Barbara Simmons of New York city and Leslie Terpening were united in holy wedlock at the home of the Rev. Robert Baltes, Kingston.

#### PREPAREDNESS

By Frank H. Beck

After the ceremony the couple returned to their newly furnished apartment on Maple street, this village where they were met by members of both families and their friends and where all partook of a hountiful repast. The bride received many useful and beautiful gifts. There were about 50 guests in all.

Miss Rose Fridman of New York city spent several days in this village last week.

A large number attended the turkey supper on Saturday evening which Mrs. Prosper served at her home.

Mrs. Richard Terpening entered

her two sisters, Mrs. Terwilliger and Mrs. Bullis of Amsterdam, and also several of their friends at dinner on Sunday. Mr. and Mrs. Louis Ackert and children of New Paltz were also guests of Mrs. Terpening.

The Misses Dorothy and Mollie Schirkerle have left for New York city where they will spend Thanksgiving at the home of the grandparents.

Mrs. John Grady and daughter Aline have just returned from New York city where she was spending several days as the guest of her mother.

Robert Treisner and Fred

Frankowitz of the Bronx spent Sunday at the home of the Misses Schirkerle on Maple street.

Miss Anna Bock of Brooklyn, is spending several weeks as the guest of her friends, Mrs. Balte.

Prof. S. S. Visser, Indiana University geographer, studying geographical distribution of famous Americans, found New England had produced twice as many as the middle Atlantic or north central states, three times as many as the Pacific states and six times as many as the south central states.

#### Temple Emanuel Services Tonight

Services will be held in Temple Emanuel on Friday evening at 7:45 o'clock.

Rabbi Bloom will preach on the theme, "Christian, Jew and Pagan." The public is cordially invited.

On Saturday morning services will be held at 10 o'clock. Rabbi Bloom will speak on the lesson of the week. This is the initial

Saturday morning service, primarily designed for young people. Adults, however, are welcome. The service marks new departure for Temple Emanuel.

On Thursday evening, December 2, the Zionist Organization of Kingston is holding a meeting at which the famous Maurice Samuel, noted author, international authority, will lecture and address the public. The meeting will be held in the social hall of Temple Emanuel.

Apparently the country doesn't like deflation any better than it does inflation.

## Point by Point— WHY BETTER-SIGHT LAMPS 1—SAFEGUARD EYES

In the home, for reading, studying, sewing, playing—use BETTER SIGHT LAMPS.

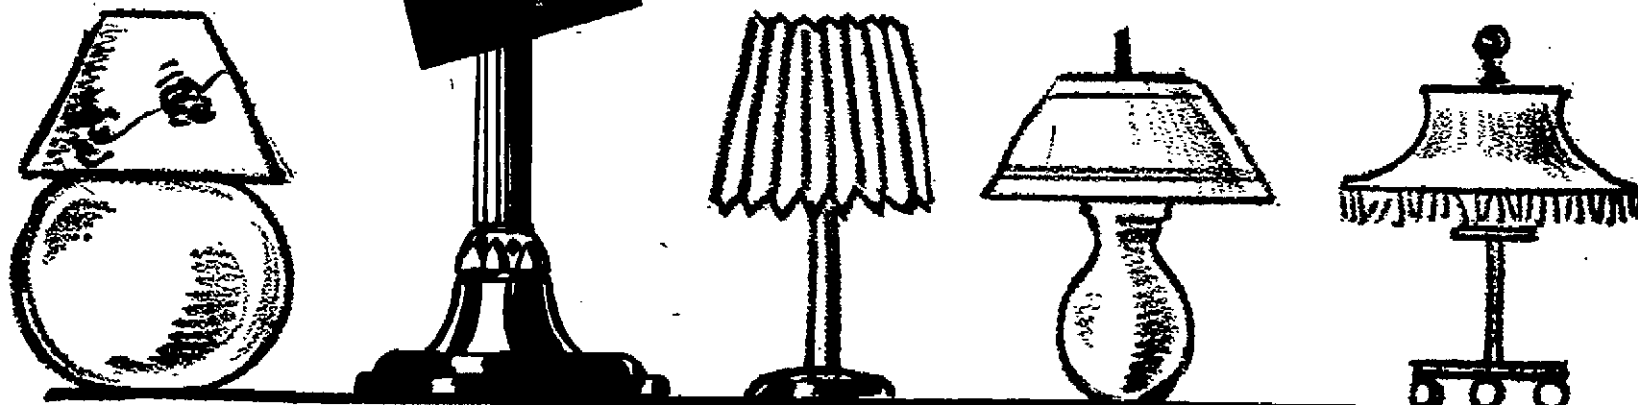

Besides giving much more light than old-fashioned lamps their widespread, glareless light brings new seeing comfort and new protection against eyestrain.

Here's why the light given by BETTER SIGHT LAMPS is "easy on the eyes"—

- Point No. 1 Wide opening at the top of shade throws light to ceilings and eliminates shadows
- Point No. 2 Glass reflector bowl softens light and prevents glare
- Point No. 3 Wide shade gives ample light for reading, studying, sewing, playing
- Point No. 4 Shade lining is white to reflect more light downward
- Point No. 5 Lamp is high enough to light a large area.

BETTER SIGHT LAMPS are inexpensive! See them on display in department and furniture stores... or at your electrical dealer's.

Look for this tag when you buy a lamp. It's not a Better Sight Lamp if it doesn't have the tag.

BETTER SIGHT LAMPS **STAND OUT** when compared with old-fashioned lamps

**Back for Dinner.**  
Lincoln, Neb.—Police Lieut. Gene Masters is a kind-hearted sort of fellow, and it grieved him considerably when John Hudson, a dashed out of the city jail just before the Thanksgiving dinner was ready for prisoners. Masters caught Hudson in an alley near the station and brought him back for a dinner of roast pork and dressing.

## PORT EWEN

Port Ewen, Nov. 26.—Choir practice will be held in the M. E. church at 3:30 Saturday afternoon.

The regular meeting of Hope Lodge, No. 65, K. of P., will be held this evening.

Mrs. Philip J. O'Reilly and sons, Philip, Jr., and Joe, are spending a few days with her parents, Mr. and Mrs. Charles Nicholson, in Jamaica, L. I. Cards have been received from Mr. and Mrs. Mead Davis and

Mr. and Mrs. Sheridan Simpson stating they arrived safely in Florida and are now settled in their home at Deland.

Mrs. H. C. Jump will entertain the Ever Ready Club at her home on Broadway Monday evening, November 29.

More than 125,000 Mormons of the Salt Lake City region ate only one meal on a recent Sunday.

They hoped their example of a partial fast would be copied by the 625,000 Mormons scattered in other parts of the world. The plan is to raise money to take care of needy members in a coming depression.

## FLASHES OF LIFE SKETCHED IN BRIEF

**Literally a Sky Pilot.**  
New York.—The most Rev. Michael Maslov, dean of the Russian Cathedral, turned acrobat when his campaign for a \$25,000 fund to repair the cathedral's roof failed.

Day after day he hung by ropes, applying tar paper to the steeply pitched roof.

The cost: \$20 for the paper and many hours of hard work for the dean.

**At Long Last.**  
Macon, Ga.—Charles Grace, deputy county tax collector, struggled two days to balance his books. He was a nickel shy.

He even carried on the grim battle Thanksgiving Day because then he would be free of interruptions.

But the door opened and a man entered.

"I owe you a nickel," he said. "They gave me too much change when I paid my taxes."

**Famous First.**  
Arkansas City, Kas.—Hunters hereabouts are telling this one: A man engaged to dispose of

an ailing horse was joined by two hunters. Talk turned to their marksmanship. Then the executioner spied the nag.

"There's one thing I've never shot—a horse," he said, and fired.

Enjoying the hunters' counter-attack, he added:

"I've never shot a man, either."

He's still wondering what hit him.

**Going, Going—**  
Denver—Sam Daniels, of Hugo, Colo., took the seventh of his children to a hospital for an appendectomy and announced: "My daughter, Marjorie, has the only appendix left in the family. I hope she can keep it."

Adding the family of appendices, he said, cost him \$2,400.

## DARNED SOCKS ON

## TELEPHONE RECEIVER

North Bay, Ont., Nov. 26 (AP)—(Canadian Press)—Telephones can be used for other things besides talking. It seems that recently subscribers on a rural line

near here complained of one telephone being used all the time. Only clue was that everyone on the line said they could hear a clock ticking. An investigation disclosed that an elderly lady used the telephone receiver as a "darning egg" for mending socks.

## MUTILATED

The mutilated body of Rose Garcia, 19, (above) was found in a shallow desert grave near Socorro, N. M. Cassidy, in whose home the girl had been a maid, is said to have confessed killing her because he "was crazy about her."

## Chicago Promises Shock for Many Wealthy Persons

Chicago, Nov. 26 (AP)—Many of Chicago's wealthiest citizens, Assessor John S. Clark said today, will blink when they get their local tax bills for 1937. He estimated \$400,000,000 in "hidden" personal property had been uncovered and assessed in Cook county for the first time, by the outwardly simple process of examining duplicate copies of federal income tax returns. Much of this intangible wealth, Clark said, belonged to millionaires and near millionaires who reported their securities holdings to the federal government, but not to the local assessor. In addition, Clark said 75 per cent of the county's 25,000 corporations failed to list all their machinery, merchandise or other locally taxable property.

Clark said the discovery would cut the general income tax rate about 15 per cent. "We found one millionaire whose federal income tax return showed he had stocks and bonds worth \$28,000,000, which returned an income of \$1,750,000 for the year," said Clark. "He had listed none of them for local taxation. That man's tax bill next year will be \$90,000, although he tried to get us to accept \$1,000 in full payment. Another innovation by Clark this year was the cutting off the tax books 600,000 persons whose personal property was worth less than \$400. This was 78 per cent of all personal taxpayers."

## GARDINER

Gardiner, Nov. 24.—The Ladies Aid of the Reformed Church will meet at the home of Mrs. Howard Fleming on Wednesday, December 1, at 2:30 o'clock. Hostesses, Mrs. Frank Dushbore, Mrs. William Everts and Mrs. Fleming.

John Kreping and Richard Hoffman are serving as jurymen at Kingston.

Miss Hilda Franks of Arena, who is cadet teaching at the local school in connection with her training at New Paltz Normal School, spent the week-end with Mr. and Mrs. Ransom Freer.

More than 100 attended the party held at the Reformed Church hall on Friday evening. After the games and refreshments, a musical program was given. Mrs. Luther Dushbore, Mr. and Mrs. Lewis Wilson and grandson of Milton spent a few days of last week with Mr. and Mrs. Fred Dolson and Mr. and Mrs. George Quimby.

Mr. and Mrs. Kenneth Hoffman of Long Island spent Friday and Saturday with his parents, Mr. and Mrs. Richard Hoffman.

Mrs. Peter Lightcap, who has been ill with relatives in New York city, has returned home much improved.

Mr. and Mrs. Oliver Dunbar of Kingston were guests of Mrs. Dunbar's mother, Mrs. Etta Butties, on Friday.

Mr. and Mrs. H. Holden were in Kingston on Saturday, with her accompaniment. Mrs. Katherine Van Buren of Kingston at the piano played many familiar songs and the rest joined in with singing. Mrs. Margaret

## FOILS BANDITS

Sippie Webb (above), 65, Negro passenger on a Southern Pacific train which was robbed on the fly near El Paso, Tex., by two amateur cowboys, foiled the bandits' getaway by tripping one of them as he fled down the aisle. Both thugs were captured.

Curley of Ulica gave some piano music. While it was a very informal program, it was very pleasing for all. The sum of \$64 was realized.

Mr. and Mrs. Harry Hansen of

Sheepshead Bay spent Wednesday night with Mrs. Hansen's mother, Mrs. Mary Smith. On Thursday Mrs. Smith returned with them and will spend the winter months.

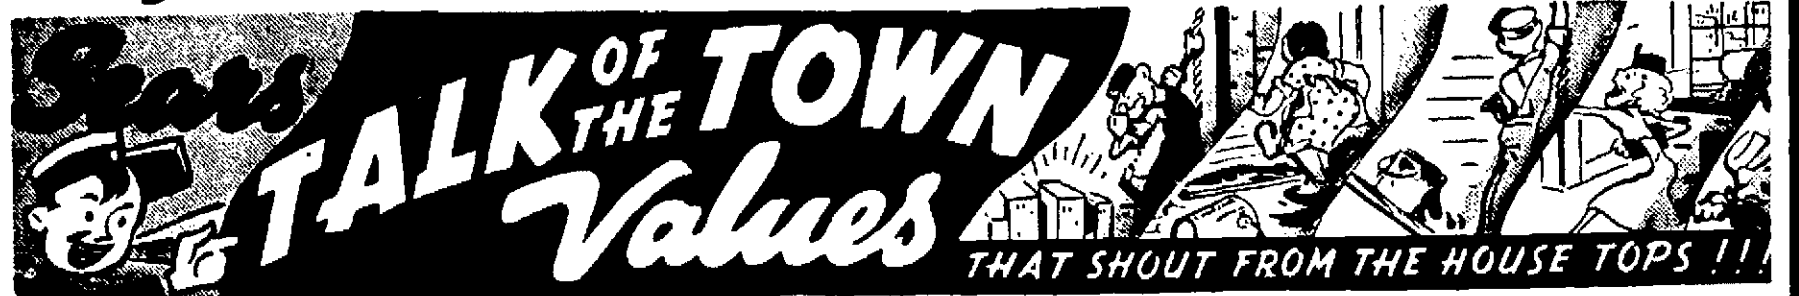

A Thanksgiving sermon was

preached at the Reformed Church on Sunday morning by Mr. Krause, a senior of the New Brunswick Seminary. On next Sunday the services will be in charge of Everett Brass of New

Brunswick, N. J., who was student pastor of the church during the summer vacation. Edward Tuttle, and sons, of Morristown, N. J., were guests of Mrs. L. Klyne on Saturday. Mrs.

Klyne and grandson, Harry Klyne, returned home with them and will spend Thanksgiving there. William Fasbrook, of Orangeburg, was a week-end guest of Lewis Jayne, Jr.

## Suggest Power to Determine War Be Taken from F.D.R.

Washington, Nov. 26 (AP)—Senator Lodge (R., Mass.) proposed today that Congress take from the President what he called "the awesome power of peace and war" in administering the neutrality act.

His resolution, providing that Congress could force or forbid the Chief Executive to proclaim existence of a state of war anywhere in the world, was the latest of several congressional demands for changing the neutrality law.

All have grown out of the Sino-Japanese situation. President Roosevelt so far has refused to describe the undeclared conflict as a state of war—a decision that the present law leaves to his discretion.

Lodge said that if the neutrality law were invoked now, its trading provisions would "put us on the side of Japan." He said this nation did not wish to be allied with any foreign power.

Lodge's resolution would not permit the President to proclaim a state of war without approval by Congress.

Administration leaders said the sporadic attempts to force the President to invoke the neutrality law against Japan and China appeared to be getting nowhere.

The "neutrality bloc" in the Senate has included Senators Clark (D., Mo.), Capper (R., Kans.), Vandenberg (R., Mich.), and Nye (R., N. D.).

A majority of the group believes the people favor invocation of the neutrality act against the Far Eastern nation. Such action would bring an embargo on shipments of arms, ammunition and implements of war to the warring nations.

## Knighting Roast of Beef

"Sir Loin," an Old Story

Dr. Johnson, as lexicographer, gave credence and currency to the etymological nonsense, and subsequent compilers of dictionaries repeated the story that an English king knighted a roast of beef as "Sir Loin," and that is the origin of the name sirloin for a certain cut of meat, according to a writer in the Cleveland Plain Dealer.

Later authors, however, repudiated this popular tradition of a silly freak or pun of James I or Charles II, as of no etymological value, and agree that sirloin, which appears in Dr. Johnson's dictionary for the first time with this orthography, is derived from the French *sirlon*, that is, "upper loin."

In the old English dictionaries the English word was spelled *sirlon*. Skeat's Etymological Dictionary vacillates the word thus: "Sirloin, an inferior spelling of *sirlon*." It adds that the word is "frequently spelled *sirlon*, owing to a table that the loin of beef was knighted by one of our kings in a fit of good humor."

The king was imagined to be the merry monarch Charles II, though it is sometimes said to have been James I. Both stories are discredited by the use of the original French spelling in the fourteenth century.

Swift is one source of the legend. In "Polite Conversation" he wrote: "But pray, why is it called a sirloin? Why you must know that our King James I, who loved good eating, being invited to dinner by one of his nobles, and seeing a large loin of beef at his table, he drew out his sword and in a frolic knighted it."

## Many Sharks Are Found to Be Harmless to Man

For centuries the long gray fish, the shark, has been universally feared and hated as an unclean scavenger, a savage and voracious man-eater, a veritable tiger of the sea. In many cases this sinister reputation has been entirely undeserved, writes an authority in the Portland Oregonian, for of all the many kinds of sharks that are known to science only one or two are dangerous to human life.

The little dogfish that often starts a panic along the Atlantic bathing beaches is perfectly harmless, and even the tremendous rhinodon, or whale shark, that reaches a length of over 70 feet, feeds exclusively on minute water organisms and would never attack a man.

Shark leather, also known as sharkskin, has a beautiful natural grain and is so indestructible that it was formerly used by carpenters much as sandpaper is used. Shark liver oil is said to be just as full of vitamins and just as unpleasant to taste as the better known product derived from the humble codfish. Shark fin soup is esteemed by the Chinese as a great delicacy, and shark meat meal is the richest known substance in protein content. In short, when you get to know him, the shark is quite a useful member of society, and every part of the big fish is utilized in some way.

## 1,500 Planes Mashed.

Tokyo, Nov. 26 (AP)—The Tokyo newspaper Hochi today published a dispatch from Tsuruga asserting that 1,500 Soviet airplanes had been mashed in the maritime provinces, that part of Siberia nearest Japan. The same source reported 1,000 Russian bombing planes were entering China by way of Shanfu, capital of western Shensi Province, presumably to buttress China's resistance to Japan.

## Rivers Belong to States

Where They Are Located

Rivers are the property of the states in which they are located. The limited jurisdiction of the federal government over navigable streams is merely incidental to its constitutional power to regulate and improve navigation for interstate and foreign commerce.

When a river forms the boundary between two states the title of each state is presumed to extend to the middle of the main channel, provided there is no legal arrangement to the contrary. Sometimes two states agree, for police purposes, to exercise concurrent jurisdiction over a river which forms the boundary between them.

The Ohio, Chattahoochee and Potomac rivers are notable exceptions to the general rule. Kentucky and West Virginia have absolute jurisdiction over the entire Ohio river along their shores as far as the low-water mark on the Ohio, Indiana and Illinois banks. If a person commits a crime on that river near the Illinois, Indiana or Ohio shore he is amenable to the laws of Kentucky or West Virginia. This boundary line has been judicially recognized many times by the Supreme court of the United States and the Supreme courts of the states involved.

The Northwest territory, from which Illinois, Indiana and Ohio were carved, was ceded to the federal government in 1784 by the commonwealth of Virginia. The resolution of cession retained title and

jurisdiction over the Ohio river to the low-water mark on the northern bank, and these rights were transmitted to Kentucky and West Virginia when they were later formed from Virginian territory.

## Donner Lake Named for

Party of '46 Emigrants

Lying high near the summit of the Sierras in California is Donner lake, named for an ill-fated emigrant party headed by George Donner, which suffered privation and even death in its attempt to cross the mountains toward the Pacific in the fall and winter of 1846.

Donner's party, formed in July, consisted of 37 persons—36 men, 21 women, and 30 children. Their wagon train was delayed by hardships encountered in crossing the Nevada desert. It was not until late October that it began the ascent of the Sierras. Early snows impeded its progress. The way was blocked completely when the party reached the shores of the lake which now bears its name.

Through the long winter the emigrants fought starvation and disease, many perishing before help reached them in the spring. A monument on the shores of Donner lake is dedicated to the memory of those who suffered and died on its shores.

Blessed are the peacemakers; and here comes Hitler, all shining with Christian love and good will, to make peace in Asia and gain glory and markets.

## CLOWN, 70, WEDS POETESS, 26

George Byron Stratton, 70, Falmouth, Mass., formerly top clown for Barnum and Bailey circuses, is shown with his 26-year-old bride Fannie Kate Overton, of Washington. They were married in Rockville, Md. After a correspondence courtship started when he read some of her magazine verse.

## RAINS HALT DRIVE

IN SPAIN TODAY

Hendaye, Franco-Spanish Frontier, Nov. 26 (AP)—Cold, driving rain forestalled important operations today on Spain's Aragon and Madrid fronts. Communiques of the embattled insurgent and government armies told of minor engagements in scattered sectors.

Insurgents exploded another mine near the surgical building in

University City, on the northwestern edge of Madrid, but failed to damage the government barricades.

An earlier government communique, reporting on yesterday's operations, said insurgents had been routed from two strategic villages on the Guadalajara front, northeast of Madrid, and driven back nearly six miles.

The same report told of government capture of two villages in Aragon, near the French frontier.

## Dr. Comstock Bags A 380-Pound Bear In New Hampshire

A handsome 380 pound black bear, along with a fox and a skunk, the latter "thrown in" for good measure, attracted attention on Wall street this morning as their last ride was parked temporarily in front of the office of Dr. John A. Comstock, of 317 Lucas avenue.

Dr. Comstock, who with Mrs. Comstock and the baby, left Sunday for Oxford, N. H., the doctor having received word from his friend, William Green, noted guide and bear hunter of that place, to pay him a visit, with assurance that the doctor would probably achieve his ambition to bag a bear.

Monday morning the two men, accompanied by Mr. Green's famous bear hounds, started out about six o'clock in a furious snowstorm to trail a bear which had been killing pigs and otherwise misbehaving in that section. The dogs picked up brul's trail, but it was not till nearly one o'clock that the dogs finally located the quarry in a tree. That was the end of Mr. Bear, however. The doctor placed two bullets in his chest, dropping him to the ground, and a third just behind the ear finished him.

After that it was a case of retracing their journey, dragging the 380 pounds of dead weight for a distance of four to five miles, through the woods to the place where they had parked their car.

The next day the doctor added the fox to his bag and then, to make the score perfect, on his re-

turn home Thursday night he was successful in dispatching a skunk which had been making things unpleasant in the vicinity of his garage for the past two or three weeks.

The doctor says that his success has put him in a bit of a fix. Seems he has been talking for some time of the bear he was going to get and promising numerous friends some of the meat. He even made a list of those he was going to make happy. Unfortunately, he says, he lost the list, but wants it understood that the other still holds good and if the aforesaid friends will only make themselves known they will be welcome to a portion of his New Hampshire bear.

William Green, the doctor's companion on the hunting expedition, and his hounds, are said to be in great demand on the part of those who like to hunt bear, as well as other big game. Mr. Green, who is said to have shot a great many bears, and who has hunted in California, Mexico, and other parts of the country, is scheduled for a hunting trip in Central America next month.

## Minskys Close Oriental

New York, Nov. 26 (AP)—The brothers Minsky, forbidden use of their own name and the tag "Burlesque" on marquee of show, closed the Oriental Theatre on Broadway last night, blaming poor business.

Morton Minsky said the family, lost about \$25,000 trying to succeed in anonymity, with the strip-tease outlawed and with the name "Pollices" substituted for what used to be known as "Burlesque." About 150 Minsky employees will lose jobs.

The Apollo Theatre, also struggling under reform, will have its last "in-the-flesh" performance Sunday, then will turn to films.

## Home Institute CARELESS SLIPS IN ENGLISH A BARRIER TO FUN AND FRIENDS

Easy to Make Correct Speech a Habit

Her new confidence, her charming correct English, Jane owes to a stranger's whisper.

It was like a bolt from the blue to realize this stranger meant her when he whispered in the theatre lobby: "The girl ahead has looks. But in one minute she's made three bad breaks—LIKE I SHOULD, DISREMEMBER, THOSE KIND."

How Jane cried! But not for long. She's turned her slipshod speech into a shining asset by proving the truth of the rule, "Say a new word or phrase three times and its yours!"

Perhaps you too have made a habit of that boner—LIKE I SHOULD. Then, while you brush your hair or put on your stockings, say slowly "AS I SHOULD." Repeat it three times. Instead of DISREMEMBER say I DON'T REMEMBER, for there's no such word as "disremember." For THOSE KIND say THAT KIND.

During the day trot out those correct phrases whenever you can. Soon they'll be as natural to you as your errors were.

But, of course, you don't always have a stranger around to point out errors you don't know you make. So check your speech with a list of common mistakes. Goodness! You see you said to Chuck, "I didn't hear NOTHING about Tom or where he's going TO. If I had HAVE known, I WOULD'A called him."

You rush to practice "I didn't hear ANYTHING." You say "where he's going" without the TO. And you say "If I HAD KNOWN" without the HAVE! WOULD'A is WOULD HAVE.

Simple, isn't it, to acquire the charming speech which gets you accepted everywhere? Our 40-page booklet, COMMON ERRORS IN ENGLISH, tells how to check mistakes, gives correct forms.

Send 15 cents for our booklet, COMMON ERRORS IN ENGLISH, to Kingston Daily Freeman, Home Institute, 109 West 19th Street, New York, N. Y. Write plainly your name, address, and the name of booklet.

## Kingston Hospital Auxiliary Report

At the last meeting of the Kingston Hospital Auxiliary Mrs. A. B. Shufeldt presided in the absence of the president. Two new members joined, Mrs. E. H. Remmert and Mrs. Lancelot Phelps.

The newly elected officers for the year 1937-1938 are: President, Mrs. Frederick Snyder; vice president, Mrs. T. J. Hickey; secretary, Mrs. George W. Ross; treasurer, Mrs. Harold L. Rakov.

The treasurer made her annual report. The following is the annual report of the secretary:

The Auxiliary of Kingston Hospital had six meetings during the year followed by a social ball hour, at which time tea was served by Miss Allan and Mrs. Potter. This was enjoyed and appreciated by the members.

The Sewing and Cutting Committee under the guidance of Mrs. Arthur H. Wicks has been most active, and much work has been completed. The auxiliary deeply appreciates the efforts of all societies and individuals who have served this year and, now, sincerely thanks them.

Last October a banquet was given in honor of the nurses about to graduate. Mrs. John B. Krom and Mrs. Kenneth H. LeFever were in charge of the preparations.

The auxiliary held its annual Thanksgiving Day tea dance which was a social and financial success.

Roses were placed on all Thanksgiving dinner trays. Mrs. Alexander B. Shufeldt, who is in charge of the Good Cheer Committee, donated these flowers, and A. B. Shufeldt gave \$25 at Christmas time for presents for the ward patients. Mrs. Harry Groves contributed \$5 to be used for Christmas cheer.

Mrs. John B. Krom gave toys for the children in the Children's Ward and Mrs. Kenneth H. LeFever donated and trimmed a Christmas tree for the children.

Mrs. Frank A. Johnston and Mrs. LeRoy M. Sutliff gave trimmed Christmas trees for the other wards.

The auxiliary purchased and placed holly wreaths in appropriate places.

A card party was held in June at the camps of Dr. Frederick Snyder and Dr. Chester B. van Gaasbeek at Legs' Mills. Many bought tickets who could not attend and many others contributed money, so a good sum was realized from this party, and the auxiliary thanks all who supported it.

We gave the Curtis Publishing Company the right to solicit magazines in the auxiliary's name. Some money is gained in this way and the auxiliary wishes, at this time, to thank all who subscribed again this year.

Each year the auxiliary tries to purchase something worth while for the hospital, and this year we purchased and paid to have rubber tile flooring laid on the second floor corridors and head nurses' office.

In order to maintain a high standard of usefulness to the hospital, we need a greater membership and more workers. An invitation is extended to all to join our auxiliary, which meets the last Tuesday in each month at the nurses' home on Broadway at 2:30 p. m.

Respectfully submitted,  
Naomi V. van Gaasbeek.

Following is the annual report of the chairman of the Sewing and Cutting Committee:

It is with much gratitude to those who have so graciously assisted me throughout another year in this most worthy work, that I submit this report:

Mrs. Darrow—16 children's gowns, 24 nightgowns.  
Mrs. Flicker—38 tray covers, 10 nightgowns.  
A friend—8 stand covers.  
Mrs. Galey—53 hot water bottle covers.  
Mrs. Hanstein—Bolt of material in baby dresses.  
Mrs. Howells—6 binders (given).  
Mrs. MacFadden—7 baby dresses, 6 nightgowns.  
Mrs. MacLaren—23 binders.  
Mrs. Main—49 towels.  
Miss Schepmoes—29 draw sheets.

**Church Societies**  
Monday Guild, St. John's—50 glove covers.  
Henrietta Wynkoop Guild—18 baby dresses.  
Roundout Presbyterian—28 binders, 1 baby dress.  
St. James M. E.—79 glove covers, 56 towels.  
Service Club, Fair Street—166 glove covers, 1 tray cover, 20 surgeon caps, 11 leggings, 6 baby dresses, 24 sheets, 29 surgeon aprons, 20 baby sheets, 16 laparotomy sheets.  
Y. W. C. A.—50 glove covers, 35 bed pan covers, 124 towels, 20 bassinet sheets.

In concluding I wish to thank the members of my committee, consisting of Mrs. Craig, Mrs. Flicker, Mrs. Galey, Mrs. Glendonning, Sr., Mrs. Hanstein and Mrs. Lieske, 1,070 pieces in all. Respectfully submitted,  
Nabel E. Wicks.

Tea was served by Miss Allan at the conclusion of the meeting.

**CULLOTON HELD HOLIDAY POLICE COURT SESSION**

Judge Bernard A. Culloton held a special session of police court on Thursday morning at the city hall. LeRoy Richter, 37, of 112 Clinton avenue, arrested on a warrant charging him with failing to provide for the support of his family, had his hearing adjourned to Saturday. Charles Sleight, 58, of the Saugerties road, arrested for public intoxication, was given a suspended sentence and allowed to return home for the holiday meal. Henry Hamilton, 39, of Chichester, arrested for public intoxication, was fined \$3.

## WEST SHOKAN

West Shokan, Nov. 24.—Mr. and Mrs. John Avery and daughter, of Bixford, Pa., spent the week-end with relatives at Maple Dell Farm. It is their first visit to this locality, in which Mr. Avery's grandfather, Jacob Avery, a Civil War veteran, was born, toiled and finally laid at rest.

Preaching services were held Sunday morning at the Baptist Community Church. The very abundant gospel message was presented by the pastor, Captain William Bender. The choir consisted of Mr. and Mrs. Herbert Hyde, Mrs. Addie Van Demark and C. E. Davis. Mrs. Chase Davis favored as organist.

Winter has closed in with a rim atop the light snowy week-end. The snow fall was considerably heavier in the nearby southern area. Milk Truck Driver Wilson Terwilliger reported.

Martin J. Every of Traver Hollow is harvesting his Thanksgiving turkey crop.

Nelson and Russell Boice and families of Kingston visited their mother, Mrs. Fanny Boice, on Sunday.

Captain and Mrs. William Bender and daughter, Grace, were entertained as dinner guests on Sunday at the home of Mr. and Mrs. Herbert Hyde.

Mr. and Mrs. Ross W. Lynn were week-end visitors at their Traver Hollow estate.

Mr. and Mrs. Donald F. Bishop are enjoying a visit from his sister, Miss Olive Bishop, of Hobart.

Mr. and Mrs. Jesse Burgher returned home to Cuba, N. Y., Friday, after making their annual deer hunting season visit at Maple Dell Farm. Mr. Burgher bagged a fine 10-pointer, which was one of the very few kills made in this locality.

The customary Wednesday meeting of the Ladies' Aid Society will not be held this week due to Thanksgiving.

Herbert Hyatt is employed at Gardiner.

Mr. and Mrs. Charles Richter plan to spend Thanksgiving with relatives in Richmond Hill, L. I. Mrs. Carrie Personeus of Shokan will accompany them.

Mr. and Mrs. Peter R. Crawford of Olive Bridge were West Shokan Heights social callers Sunday evening.

Mrs. Florence Winkler and son Paul, who are visiting with her brother, Lawrence J. Winkler, and family in New York city, are expected to return home with him Wednesday on his Thanksgiving visit.

Congratulations are extended Mrs. Sam Pietro of Olive Bridge, who celebrated her birthday on Sunday.

Miss Alberta Quick of Olive Bridge is home from college for the Thanksgiving vacation.

Mrs. Joe Mooney of Kingston spent Monday with her parents, Mr. and Mrs. Martin J. Every, in Traver Hollow, and gave a ready hand with the turkey butchering.

Mr. and Mrs. James Burgher of Maple Dell Farm are making ready for their annual vacation trip to Cuba, N. Y., and vicinity.

Proclaimed public interest indicates that an outstanding social success will attend the event of the Odd Fellows' annual Thanksgiving oyster supper to be held Wednesday evening at Olive Bridge.

The community weekly prayer meeting was held Thursday evening at Maple Dell Farm. The singing was led by Edward Avery. The atmosphere of the meeting was deeply spiritual and several gave testimony. Those present included Captain and Mrs. Bender and daughter Grace, Mr. and Mrs. Edward Avery, Mr. and Mrs. James Burgher, Alton Burgher, Mr. and Mrs. Jesse Burgher, Mr. and Mrs. John Brethaupt, Mrs. Rachel Kerr and devoted daughter, Jennie Kerr, Mrs. Ray Wean, Mr. and Mrs. Sylvester Jones, Mrs. Bertha Bell and daughter, Miss Shirley Bell, Mrs. Addie Van Demark, Mrs. Celia Roosa, Mr. and Mrs. Charles Richter, Mr. and Mrs. Elwyn Davis, and Mrs. Blanche Rodriguez.

The town of Olive will be represented on the December grand jury panel by Martin J. Every, who is the first grand juror from the Olive list drawn in some time.

Mr. and Mrs. Robert L. Longyear of Brooklyn and her sister, Miss Cornelia Davis, of the Cobleskill State School of Home Economics are expected home to spend Thanksgiving at West Shokan Heights.

Jennie and daughter, Jennie, of Watson Hollow are preparing to spend the winter months with Mr. and Mrs. Theodore Kerr in West Hurley.

## Two Boys on Bike Struck by Auto

Floyd Krom, 13, and Ralph Williams, 10, both of 12 Elizabeth street, were shaken up and bruised when the bicycle they were riding double was struck by an auto driven by George Sheldon, 1 of 167 Fairview avenue at noon on Thursday. Mr. Sheldon in reporting the accident to police headquarters said that he was turning from North Front street into Green street when his car hit the bicycle. One of the boys was riding on the handlebars of the bicycle. The boys were taken to the Kingston Hospital but were not injured sufficiently to require hospitalization.

## STANDS UP FOR HIS STRIKE

This Greyhound bus was delayed over an hour in its Cleveland, O., terminal when a driver, identified as Ray Krause (above), leaned against its bumper in a 1,000-man, 16-state strike. Later he lay under the bus. The strike was called by the Brotherhood of Railroad Trainmen. Negotiations for settlement of the bus drivers strike were deadlocked over closed shop and wage issues.

## WATCH STOPS BANDIT'S BULLET

Jose A. Rodriguez, passenger on a Southern Pacific train, held up by train robbers near El Paso, Tex., owes his life to his old-fashioned watch. A bullet fired at him was stopped by the timepiece which he displays here. With him are his wife and daughter, Elena Maria. S. Beth bandits were captured.

## Hunter Becomes Hunted as Wild Dogs Chase Him

The damage from marauding dogs, apparently unlicensed and unowned, continues to mount in Ulster county in one of the most serious epidemics which the county has ever experienced. Again two stray dogs visited the piggery at Mt. St. Alphonsus at Esopus and so badly injured a large brood sow that the animal had to be killed.

At the institution last week three dogs did great damage to the pigs, killing one and injuring 11 others so badly that they had to be disposed of. As a result of that attack William O'Brien of Esopus set traps in the locality where the dead pig had been left and caught one of the trio. While attempting to shoot the dog caught in the trap he was chased up a tree by the two other dogs.

Since then the dogs have twice been seen in the locality and on Thanksgiving Sheriff Molyneux and Deputy Sheriff Vredenburg spent some time in the locality attempting to track down the vicious animals but without success. Today Deputies Winne and Kelly are patrolling the locality following the last report that the two dogs had again been seen.

Thus far two unlicensed police dogs have been disposed of after well over \$1,000 in claims has been filed against the county for stock killed by the "wild dogs". Under the law the county must pay out of the dog license revenue for damage done by dogs.

If the owners of the dogs are located the damage may be recovered from the owners. So serious has the situation become in Esopus, Hurley, Marlborough and Rosendale that the Board of Supervisors had discussed the matter of authorizing a bounty for the killing of unlicensed dogs.

## 15 Days in Jail

Frank Augustine, Jr., 33, of Quarryville, was arrested Wednesday by Althea Augustine on a third degree assault charge at Saugerties. Arraigned before Justice of the Peace Bennett a 15 day jail sentence was imposed.

If the A. F. of L. and the C. I. O. can make peace, there will be hope for China and Japan.

## Negro Hit Woman; It Cost Him \$15

Hornshy Dawson, a negro of 151 Abeel street, found it rather costly to strike a woman when he was arraigned before Judge Culliton in police court today on a charge of assault in the third degree. The negro, who was born in Mexico City, was accused by Minnie DuBois, a negro of Abeel street, with striking her with his fists on Thanksgiving Day. Judge Culliton fined the negro \$15, and in default of payment he was to serve one day in jail for each dollar unpaid of the fine.

## LEHMAN'S SON FORFEITS

CASH BAIL IN NEW JERSEY

Hillsdale, N. J., Nov. 26 (AP)—Peter G. Lehman, 20-year-old son of New York's governor, forfeited \$15 cash bail in lieu of fine today in failing to appear in police court to answer a speeding charge.

In a thousand years, says an American psychologist, women will rule the world. With their present start it shouldn't take that long.

## Old Glory Sales Hit High Mark

New York, Nov. 26 (AP)—The Old Glory auction sales, yearly metropolitan appearance of the hay and feed circuit magnates, were the biggest since 1931 but craptly Sep Fallin stole the show.

While the sale was closing yesterday to the tune of a total of \$206,700 for 226 yearling and mature trotters and pacers, Pain negotiated a \$6,250 deal for Vesta Hanover, champion two-year-old filly of the year, before she went up for auction, thereby beating rival bidders-to-be to the punch in the best David Harum manner.

The Indianapolis trainer of the great Greyhound bought the daughter of Sandy Flash-Rosey Guy from her trainer, Harry Short of Columbus, Ohio, for E. J. Baker of St. Charles, Ill., who owns Greyhound. Short acted for John E. Kelly of Bangor, Maine.

This year's total sales totaled 1936's total, \$190,080, by a wide margin and approached the 1931 total of \$252,705.

## Pastor and Mann In Garden Tonight

New York, Nov. 26 (AP)—Bob Pastor and Natle Mann, two of the up-and-coming big boys of the fight business, tangle for ten rounds or less in Madison Square Garden tonight for the right to survive in what now amounts to a heavyweight "elimination" series. Pastor is a 2-1 favorite.

With Joe Louis and Marie Schmeling slated to fight for the title next year, provided of course, that Der Mox hands Harry Thomas what for in their little get-together December 12, the challenging field is narrowed down to the youngsters on the way up, and a few of the older war horses, such as Max Baer and Jimmy Braddock, along with the always threatening Tommy Farr.

## JONES-ARSENAL MATCH

AT TICK-TOCK ALLEYS

Saturday evening at 8 o'clock at the Tick Tock Inn alleys, Cossack, the play-off matches in the series between the Jones Dairy and U. S. Watervliet teams will be played on neutral alleys.

Jones Dairy defeated the Arsenal players in a match at Emerick's and lost to the up-staters in a match held on alleys at Green Island.

The matches Saturday evening will include singles and doubles.

## CONNECTICUT TO GIVE

UP ZIGMUNT CIERSKY

Sheriff Abram Molyneux and Deputy Sheriff Clayton Vredenburg left this morning for Hartford, Conn., where the governor of Connecticut will deliver extradition papers to the officials for delivery of Zigmunt Ciersky, who is being held by Danbury, Conn., police. The charge under which the defendant is being returned to New York state is abandonment. The complainant resides at Wall-kill.

## Hearsay

Facts

"I heard someone say . . ."

Not so long ago, people depended upon tales of returned travelers for their information about distant lands. Even when true, these tales were frequently misunderstood and misquoted. Often they were tall tales to begin with . . . There was no way to check up on these stories, no agency devoted to the accurate reporting of what really happened around the world.

Today journalism of integrity is an authoritative source on which to base stories, judgments and opinions. Furthermore, the published story can be referred to and reread in its unchangeable form.

Such journalism requires great care in its compilation, for it must withstand the strong light of publication.

During a half century of development The Associated Press has adhered closely to an ideal of journalistic integrity. That is the reason why newspapers of today can bring to their readers truthful and unbiased reports of what is happening all over the world.

# Kingston High Loses In DUSO Final to Newburgh Thanksgiving Day by 6-20

Utilizing their good running attack the Goldbacks of the Newburgh Free Academy ran roughshod over the weaker Kingston High School warriors at the Fair Grounds yesterday, 20 to 6. This was the local's third loss in the DUSO circuit and the Academyites were the third team to win by the 20 to 6 count. More than 5,000 fans jammed the uptown stadium.

The Eldermen flashed a wide open attack that showed Johnny Burkowski and Clay Purcell into the open for long touchdown runs. Midway in the opening period Burkowski got the ball from center on his own 42, cut for the sidelines and raced exactly 62 yards for Newburgh's initial score. Ed Pilus booted the extra marker.

Following five plays in the second period the Eldermen packed their way within the Maroon's 20 yard line and on fourth down and yards for a first down, George Groff, sub-back flipped a pass into the end zone where Charlie Fernald took the ball and the visitors' second tally.

The point by an attempted plunge was thwarted. Newburgh added its final touchdown in the first five minutes of the third quarter after pushing its way up to Kingston's 23. Taking the ball on a delayed buck through the forward wall, Clay Purcell took for the sidelines, side-stepped three Kingston tacklers and then sped towards the goal on a 23 yard jaunt. Ed Pilus, Newburgh's ALL-DUSO and cleanly booted the extra point, giving the Goldbacks their 20th point.

With their offense throttled all the way through the first half and part of the third period, the Kiassmen tried to click in the closing chapter. However, the Maroon and White eleven failed to do any goal line thrusting until near the final whistle. After Groff had punted to his own 35, two attempts at the line only gained a few yards and on third down, Bill Meagher rifled a pass to Tommy Malnes who was dumped on the 22. On a fake reverse Malnes lost two yards back to the 24. This was the scene for another Meagher forward, "Bullet" Bill dropped back to the 30 and tossed to Ray Schneider on the 11 for another first down. Malnes then rocked off the line to the second and after two plunges failed Meagher flipped a scoring pass to Malnes in the end zone giving Kingston its only six points. Ed Friedman, local right guard, tried to convert by a placement but his kick was low. Only two more plays then were executed and the game ended.

Kingston's victory, and Port Jervis triumph over Middletown, creates a triple tie in the DUSO League. If Middletown had won yesterday, the Hamilton Fish trophy would have gone to that school permanently.

## 13 Teams Remain on Undeclared List

(By The Associated Press)

Thirteen teams remained in the nation's select set of undeclared and untitled eleven today after the Thanksgiving fireworks ended, with all but two finished their regular campaigning for the year.

Four of them, headed by Alabama's Bowl-bidding Crimson Tide, cleared the last hurdle during the holiday campaigning, leaving only Hardin Simmons, which meets Howard Payne December 4, and Santa Clara, which tangles with Gonzaga, Sunday, still showing incomplete schedules.

Alabama's 9-7 win over Vanderbilt yesterday skyrocketed the Tide to the head of the pack, with nine straight victories and 225 points scored, leading both Cape Girardeau Teachers of Missouri and Cornell of Iowa, each with nine wins, but far fewer points.

Cape Girardeau finished up with an easy victory over Missouri Mines to continue among the top-flight. Cornell had completed its schedule a week earlier.

Probably the most astonishing record was that presented by Arkansas State Teachers, with the highest point total of all—337—in eight games, the last of which was a 34-0 triumph over Henderson State yesterday.

Also finishing up on Thanksgiving was Colorado's undefeated Rocky Mountain Conference champions, Whizzer White & Company clouted Denver 34-7 for its eighth straight win and a total of 248 points.

Defensively, Lafayette had the best record among the undefeateds, with only six points scored against the Maroon in eight games.

Woodstock Sports Group Gets Ready

Woodstock, Nov. 26—Headed by Stewart Jones and Fennel Franchling the four-acre skating pond on Ohayo Mountain is being put into shape for the season's use. The Ways and Means Committee of the Woodstock Winter Sports Association has been authorized to see to the construction of a hockey rink, if the reconstruction of the pond will accommodate such a structure. Plans are being made for a series of inter-city games between teams of Saugerties, Newburgh, Poughkeepsie, Catskill, Hudson and other teams of the Hudson Valley. The ski slope in Bearville and toboggan slope in Woodstock are also being prepared.

According to membership chairman, Lorenz Stowell, memberships are steadily increasing.

## FIGHTS LAST NIGHT

## Birdseye View Of Sports Events

By EDDIE BRIETZ

Durham, N. C., Nov. 26 (AP).—Georgia Tech doesn't appear in football's "first ten" this year, but Ralph McGill, the Atlanta sports writer, who knows his onions, says on days when the Engineers can make their razzie dazzle air attack click they are one of the four best teams in the country. . . . Who can explain the complete collapse of the Detroit Red Wings, last year's National League hockey champions. . . . Lots of folks say the week's best football game will be the pitching duel between Sammy Baugh and Arnie Herber of the Green Bay Packers in Washington Sunday. . . . If you want to know what National League hitters think of prexy Ford Frick's new "dead ball" just ask any of 'em.

Just eight years ago Pitt came down here to help dedicate Duke's fine new stadium. . . . It turned out to be more of a funeral than a celebration for Duke. . . . Jock Sutherland was a good sport and tried to hold the boys back, but the big Panther backs ran hog wild and rolled up 50-odd points on poor Jimmy DeHart's helpless Devils. . . . It won't be that sad this time. . . . Duke has a smart well-coached team and is primed for its best effort of the season. . . . In fact, some of the lads are going about town hollering Duke and seven points so loudly they almost have your agent believing the unexpected may happen. . . . Wallace Wade is a pretty slick guy who likes to come up with surprises.

Her friends are pulling hard for Georgia Coleman, former Olympic diving queen, now battling a tough case of pneumonia on the Pacific coast. . . . Durham fans can hardly wait to get a look at Marshall Goldberg. . . . (They may live to wish they'd never seen him.) . . . We'll tell 'em now, there's a kid who can go to town when he gets that pigskin under his arm. . . . The fellow who is apt to cause Pitt the most trouble is a bird named Honey Hackney who can do almost everything and do it well. . . . Last year the scribes down this way were so busy putting Ace Parker on the all-America they overlooked Hackney, but he's been showing 'em plenty of stuff this season.

Can any of youse guys guess who'll make Alan Gould's Associated Press all-America? Letters mailed after midnight tomorrow won't count. . . . Coaches here for Duke-Pitt say West Virginia under Marshall Glenn will be really a big time football team in 1939. . . . John Chickernoe, Pitt's smart quarterback, is telling the boys this big (what's his first name) Dohrmann, Nebraska end, is the toughest blocker the Boiler Factory has encountered this season. . . . Two and three men tossed blocks at him on offense, but Dohrmann's long reach often enabled him to lean over the blockers and nab the ball carrier.

## Crystal Ladies Bowl Tonight

The Crystal Beauty Shoppe Ladies roll a return match against the powerful German Tavern Ladies squad of Poughkeepsie tonight at Emerick's alleys at 8 p.m. The Bridge City lassies wallowed the locals by several hundred pins last week at Poughkeepsie.

Captain Adelaide Gilbert expects to have the regular lineup available for the Crystals: Dolson, Peters, Meier, Keuhn, Clearwater and Gilbert.

The Poughkeepsie team will have Ann Nagengast, Ann Kearney, Lila Granieri and several other Bridge City stars.

## Colonials Lose Holiday Game to Yankees by 22-24

As a good holiday crowd looked on, Frank Morgan's Colonials lost to the Bronx Yankees, 24-22, Thanksgiving night at the municipal auditorium where the visitors put on a rally in their last period that gave them their first American League victory.

Excitement filled every one of the three periods, the second especially, when Dickie Lee was put out of the game for trouble with Allie Shuckmann. He thumbed his nose at the crowd on the way out, and only escaped a disorderly conduct charge preferred by Manager Morgenweck when he agreed to publicly apologize.

It was that third period again, just like in Philadelphia against the Spahs, that beat the Colonials. Phil Rabin, who was off in the first two frames, controlled his shots in the last inning to keep Kingston from being dumped entirely.

Besides helping the home team, Rabin boosted his own total to 15, highest individual mark of the contest. Rip Kaplinsky led the Yankees in scoring and started on the floor.

With the score deadlocked at 17-17, all the two clubs did some wild ball handling in the third period. Rabin shot from the sidecourt to put his pack in the lead, 19-17.

## Inter-Fraternal Committee

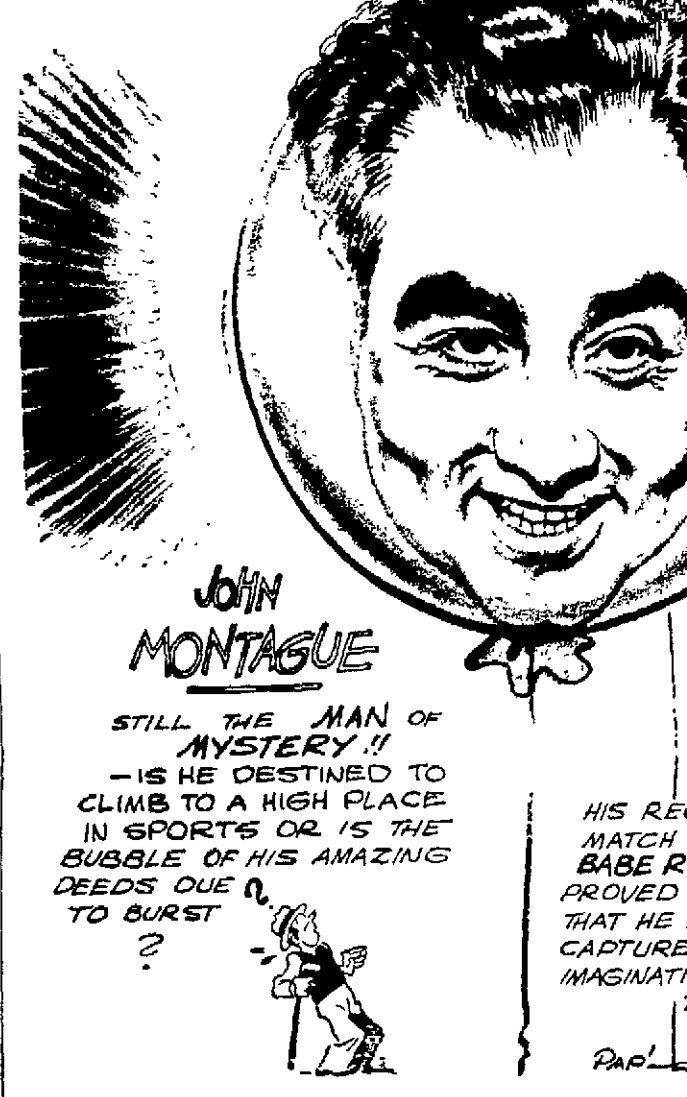

Members of the executive committee as they attended the Inter-Fraternal Tournament held at the Elks Club last Monday evening. From left to right (seated) William Rothery, Edward J. Wortman and Oscar V. Newkirk; in the same order (standing) are Andrew Sweeney, Jack Britt, Dr. Joseph Rosenberg, John H. Greene and Al Weiler. The organizations represented in this tournament of shuffle board and pool are the Knights of Columbus, the Elks, the Veterans of Foreign Wars and the Junior Order of American Mechanics.

# Crowd Expected for Boxing Bouts at the Auditorium Tonight

## Bears Trim Lions, Brooklyn Plays Tie

Chicago, Nov. 26 (AP).—When ever the Chicago Bears are hard pressed, all they have to do is put their best foot forward.

Their best foot, or perhaps toe is technically more correct, is the property of big Jack Mander, whose two accurate kicks yesterday were enough to defeat Detroit's hardy Lions and give the Bears a struggle-hold on the chit's western division title. Chicago whipped Detroit 14 to 0 before 25,000 spectators at Detroit.

Chicago, with games remaining against Cleveland and Chicago's Cardinals, needs a tie or win to clinch western section honors. The Bears have won seven games, lost one and tied one.

In the other Thanksgiving day pro game, Brooklyn earned a 13-13 tie with the New York Giants, favorites to win the title in the eastern sector. About 27,000 fans saw a battle of field goals.

Preparations are being made for a full house at the Municipal Auditorium tonight for the boxing show featuring Diamond Belt winners, including Sergeant Charles Perry, who is paired with Bradley Lewis, International champ, in a return match.

Much favorable comment has been heard concerning the array of talent banded together for the weekly boxing show at the Broadway Pines Bowl and for that reason a capacity crowd is looked for tonight. Starting time is 9 o'clock.

The spotlight attraction, the five-rounder between Sergeant Perry and Bradley Lewis, seems to bear the most magnetic appeal. Lewis outpointed Perry several weeks ago, when the West Point Cavalryman was suffering from a leg injury, that was a big handicap, according to his physician. Tonight Perry will try to even the score.

Johnny Morrow, stablemate of Parshia, will box the newly-crowned lightweight champion of the Adirondack A. A. U., Charley Forzetti, who won his title in the Diamond Belt tourney and is scheduled to box in the nationals at Boston, December 6, with Sergeant Perry and Buddy Emerson of Kingston.

Emerson is on tonight's bill also, being paired with Willie White, a rugged little New Yorker, who should give him a real scrap, according to George Gainford, Golden Gloves trainer from the metropolis.

Joey Tantillo, of Highland, will meet Dany Johnson, of Albany, after laying off to take care of an injured nose. This three-rounder should vie with any match on the card.

Kid Williams, of Highland, will tangle with Charley Ragos, Saugerties lightweight, in another prelim.

Joey Auslano, of Kingston, will have a novice in the other three rounds.

## FINANCIAL AND COMMERCIAL

New York, Nov. 26. (AP)—Leading shares pushed ahead 1 to 4 points or more today in a market rally on moderate volume.

Utilities led the procession, but Steels, Coppers, Motors, Ralls, Building Materials and virtually all other divisions joined. Near the final hour prices were at, or near, their best for the day.

Turnover was at the rate of about 1,300,000 shares.

Foreign markets were mixed, but American stocks held their own or were a little improved over Wednesday's New York closing prices. Bonds, Utilities, U. S. Government loans, were higher. Commodities were uneven.

Prominent most of the time in the stock market advance were U. S. Steel, Bethlehem, Youngstown Sheet & Tube, General Motors, Chrysler, Mack Truck, American Telephone, Consolidated Edison, North American, United Corp., Electric Power & Light, Public Service of New Jersey, Santa Fe, New York Central, Southern Pacific, Southern Railway, Minneapolis, Honeywell, Johns-Manville, Lone Star, Columbia, American Radiator, U. ## Building Slump Is Getting Worse

What was a lag in building construction is becoming a slump according to Arundel Cotter, in the ninth of a series of articles on building, written for the Wall Street Journal. He says "What looked like a more or less minor recession in building in the summer, almost entirely due to high building labor costs." He adds that while costs remain a factor they appear at the moment to be a minor one and "Rather is it the economic uncertainty on the part of the wage or salary earner, who fears discontinuance of his job, which is preventing purchase or erection of shelter for rental."

With earlier start in production of new automobile models this year and price increases averaging ten per cent, fourth quarter earnings in the industry are expected to compare fairly well with a year ago, despite sharp curtailment in production levels. Production in the fourth quarter is expected to be about ten per cent over a year ago, and about five per cent over the 1935 period. The present outlook is for operations on a three-day week basis during December.

As a result of the continuing demand for farm tractors the International Harvester Co. plans a \$1,000,000 addition to its plant, to be completed May 1. It is also noted that two new companies are to enter the tractor manufacturing field.

Plans for a merger of Symington-Gould and McConway and Torley have been approved by directors of the two companies. Stocks continued on the downward path Wednesday. Industrial stocks led 2.14, to 113.64. The Dow-Jones averages, rails were off 0.26 to 22.13; utilities declined 0.43 to 21.10. Bonds were irregularly lower; cotton was irregular; hides and silk were easier.

Some recent payments include: Westinghouse Electric, dividends of \$2 each on common and participating preferred, vs. preceding payments of \$1 each. Twentieth Century-Fox Film authorized a \$1 payment on common, vs. previous 50 cents. American Smelting and Refining voted a \$1 special dividend. American Copper paid 50 cents. Hercules Powder declared a year-end payment of 75 cents. American Locomotives declared \$7 payment on preferred accumulations. Illinois Bell Telephone authorized a \$2.75 payment on common, vs. previous \$2.

Warner Bros. Pictures, Inc. for the year ended August 28, report the best earnings since 1930. Net profit for the period was \$5,876,132, or \$1.48 a share, compared with \$3,177,312, or 75 cents a share in 1936 fiscal year.

Ford is stepping up production this week to 10,000 assemblies from 3,500 last week. Chrysler laid off 10,000 out of 55,000 workers in Detroit area. Graham-Paige is hiring men and increasing output.

In an effort to get additional members to come out for the wage-hour bill, Representative Norton announced that the Labor Committee intends to propose amendments eliminating the five-man board and setting up a single administrator in the Labor Department.

Senator Wheeler called on the Administration to "reassure the people that it is not seeking to destroy business, lest public fears cause a swing to the reactionaries."

## FUNERAL RITES FOR

RAMSEY MAC DONALD  
London, Nov. 26. (AP)—Funeral services for James Ramsay MacDonald, the son of a poor Scottish farmer who forged the British labor movement and lived to count the late George V. among his friends, were held today in the somber, historic sanctuary of Westminster Abbey.

The Duke of Gloucester, representing his brother, King George VI, headed the host of notables, who mourned for the former British prime minister. MacDonald died November 9 on his way to South America for a rest. He was 71 years old.

MacDonald's body will be cremated and his dust taken tomorrow to Scotland for burial at his beloved birthplace, Lossiemouth.

Loses Prestige  
Washington, Nov. 26. (AP)—John L. Lewis said in an interview copyrighted by Mrs. Eleanor M. Patterson, publisher of the Washington Herald and Times today that the Roosevelt administration had "declined in prestige" because of "lack of competence and coordinated man power."

## CHILD ACTRESS HURT IN FALL

Juanita Quigley, 6-year-old film actress, suffered a painful injury to her knee when she fell over a cable while working on a picture with Bobby Breen. The little screen star obviously didn't like it when she had to go to the studio hospital for treatment as shown above. Dr. J. W. Johnston and nurse Mary McArdle are attending her.

## Kerhonkson Union School Activities

Beginning next Monday, November 29, a unit of the National 4-H Club will be installed in the activity program of the high school. Edmund R. Bower, county club agent, will begin his instruction in the Farm-Shop Course at that time. Boys enrolled in the club will study knot tying, rope splicing, and as a culmination of this section of their study will make a halter. After that they will take up soldering and then the care and use of tools. There will also be included a section on the use of pulleys. Many of the boys have already expressed an interest in poultry, gardening and bees. The total number enrolled is 23.

Miss Mildred Ploss, county health nurse, will begin her instruction in home nursing for high school girls next Monday and every Monday thereafter. This course includes personal hygiene, community health, babies and their care, care of the sick room, medicines and other remedies, diseases, and common emergencies. The pupils, upon the completion of this course, will be awarded the Red Cross Certificate.

Several players have been dropped from the basketball team because they have secured ratings below standard in the new social attitudes scale which is part of the report card rating.

Both pupils and teachers were very glad to welcome Miss Abigail Stokes back to school Monday. Miss Stokes had been out for a month due to illness.

The Senior play, "Adam and

Eva," has been postponed to Saturday evening, December 11, according to Miss Bella Van Dyke, who is director of this production. Tickets for this Broadway success will be on sale very soon.

The evening sessions on Tuesday is proving very successful, thanks to the cooperation of members of the P. T. A., local volunteers and the Home Bureau. The instructors for the sewing class will be Mrs. Gross Schoonmaker, Mrs. Ruany Stevens, Miss Parsons of the Home Bureau. The enrollment in the English and Public Speaking classes has increased during the past week. It is still not too late to register for one of these classes. If anyone is interested he or she is asked to report next Tuesday evening.

The Kerhonkson Varsity basketball team trounced New Paltz to the tune of 23-10 at New Paltz last Friday. All of the boys played a splendid game, both offensively and defensively. Scoring honors went to Fisher, Lawrence, and Popple. The team appreciates very much the new basketball suits which the Board of Education has provided.

## GREYHOUND BUSES

## PROTECTED TODAY

Cleveland, Nov. 26. (AP)—Greyhound buses moved in and out of terminals under police protection in several cities today as a federal labor conciliator resumed peace efforts between striking union drivers and officials of eight greyhound lines operating in 16 states.

John J. Conner, labor department conciliator, who flew here from Washington, said he would meet separately again today with company representatives and officials of the Brotherhood of Railroad Trainmen. The Brotherhood called the strike yesterday following a breakdown of negotiations over the demands for a closed shop and a mileage wage rate increase. Conner said yesterday: "They are pretty well deadlocked. I don't know that I'll even attempt a joint meeting."

Company spokesmen said schedules had been curtailed 20 to 25 per cent. S. R. Harvey, assistant president of the Brotherhood, contended that the strike was nearly 100 per cent effective.

## KENDALL SLAIN

## AUTOPSY SHOWS

New York, Nov. 26. (AP)—Chief Medical Examiner Thomas A. Gonzales today said an autopsy on the body of Claude H. Kendall, editor and former navy ensign, who was found dead in his hotel room yesterday, showed he was slain.

## Face Federal Charges

Albany, N. Y., Nov. 26. (AP)—Mrs. Agnes Oley and Mrs. Josephine Geary, wives of convicted kidnappers, faced charges of assisting Federal officers today, as a result of their resentment to questioning on their husbands' futile break for freedom.

The husbands, John Oley and Percy "Angel Face" Geary, along with a fellow prisoner, Harold Crowley, broke out of the Onondaga County Penitentiary at Jamestown last week but were recaptured a short time later. The three were convicted in the 1933 kidnaping of John J. O'Connell, Jr.

Details of the women's resistance to queries were not disclosed, Federal officers describing it merely as "quite a disturbance."

## Sunset Services

## RUNS SHOP TO SELL PRODUCTS OF NEEDY

## Only Goods Made by Needy Persons Are Sold

Woodstock, Vt.—To those who know of her work, Mrs. Mary Grace Canfield of this village has won the designation of "patron saint to the needy." As for herself, she smiles when that title is mentioned and says that her friends over-estimate her work.

Mrs. Canfield is the proprietor of a craft shop in which is sold only products made by needy persons. She has conducted this shop nearly a quarter of a century, and during that time she has never sold any commercially made product. Hers was the first shop in the state to dispose of the handwork of the crippled people of the state, and she has frequently gone out personally to raise money to carry on this work for the crippled.

Nor is this the only good cause in which she has interested herself. She is intensely interested in the world peace movement, liberalism in religion and education, equal opportunities for women, and the preservation of local history and folklore.

A native of Ohio and a graduate of the University of Akron, Mrs. Canfield came to Woodstock more than thirty years ago with her husband, Rev. Dr. Harry L. Canfield. For a number of years, Dr. Canfield served as pastor of Woodstock and South Woodstock churches, before being transferred to the South by the Universalist mission board, from which he retired this year. The couple, however, always maintained their home in Woodstock and returned here every summer.

Mrs. Canfield was an early worker for women's suffrage. She is president of the Woodstock League of Women Voters.

Along with her other activities, Mrs. Canfield agreed last year to write the history of the Kedron valley and the South Parish, now known as South Woodstock. In addition to going over the town record, huge files of old letters, newspapers and scrapbooks, Mrs. Canfield has walked miles of deserted back roads, never passable to automobiles, in order to view for herself the old cellar holes and remains of buildings inhabited by early settlers.

## St. Louis Man's Vacation

## Spent Collecting Snakes

St. Louis.—Pete French is back in St. Louis again after his annual jaunt to the South American jungles chaperoning a group of youngsters and acting as a free-lance collector for the St. Louis zoo.

This year's trip, his fourth, took five weeks and included several days with bush-country tribes 110 miles up the Commewijne river in Dutch Guiana. French, an amateur naturalist, views the trips as vacations and opportunities to study South American life at first hand.

To the youngsters, ranging in age from eleven to fourteen, it was high adventure. All are children of friends.

French brought back 49 tropical birds, one bushmaster and 10 other snakes, six monkeys, eight lizards and a sloth. Included were about 25 hummingbirds, the largest shipment to reach St. Louis alive. He bought the bushmaster, which he considers his most valuable specimen, from an animal trader at Port of Spain, Trinidad, for \$30.

The party used tennis balls and inexpensive jewelry as trading material among the natives. French had better luck with the tennis balls because the natives are accustomed to jewelry.

## Salvager of Tinfoil, 81,

## Claims City Championship

SEATTLE.—Spry as a sparrow, Aaron G. Herr, eighty-one-year-old Seattleite, lays undisputed claim to the city's champion tinfoil "picker-upper" title.

He recently celebrated his eighty-first birthday by carrying his one hundred and thirty-fifth shopping bag full of tinfoil into a downtown fire station, from where it was sent to the West Seattle Orthopedic hospital.

Here's his advice: "Don't knot up the wrappers into such tight little balls. It's only a certain sign of nervousness and it makes it pretty hard to separate the tinfoil from the stuff. With ice cream bar wrappers, try to keep them free of pieces of chocolate or ice cream so they won't be squishy."

## Dog Feeds Three Pigs

Winchester, Va.—George H. Eagle, of this city, has a half-breed female dog which after losing its only puppy, is playing mother to three sucking pigs.

## Bullock in Parlor

## Hard on Furniture

Campbelltown, Argyleshire, Scotland.—The proverbial bull in a china shop had a real life counterpart here—a bullock in a parlor.

En route to a slaughterhouse, the bullock made a dash for freedom, crashed into the parlor, and played havoc with furniture before he was driven out. He then ran five miles back to the farm where he was raised.

## 3,000 Jews Ousted

Berlin, Nov. 26. (AP)—Three thousand Jews have been ousted from the German theater, motion pictures and newspapers since 1933. Propaganda Minister Joseph Goebbels announced today at a annual meeting of the Reich Cultural Chamber of the Strength Through Joy Organization. Chancellor Hitler attended the meeting.

**Christmas at TB Hospital**

To the people of Ulster county there is always one big thing to be thankful for as the years roll around, and that is the wonderful progress that has been made in the county in getting rid of the awful scourge of tuberculosis that once menaced this beautiful section.

It is no wonder, under these circumstances, that Ulster county folk, both in Kingston and in the county, are always ready to answer generously the appeal for gifts of money or suitable articles for the Christmas festival at the Tuberculosis Hospital. They know that this appeal will appear in our

papers the day after Thanksgiving as a sort of benediction on giving.

Will the people of the county please, as soon as convenient, send their contributions of money for the purchase of gifts, as well as gifts of articles for the patients, to Mrs. Frederic W. Holcomb, 183 Fair street, Kingston. Mrs. Holcomb is president of the Ladies' Auxiliary of the hospital, and some of the members assist Mrs. Holcomb in preparing the gifts for the festival night, while others arrange for an accompanying entertainment.

If one has seen the happiness of those at the hospital, over the Christmas remembrances from the people of the community, they would know that the occasion takes away any feeling that these patients are "shut-ins", when their thoughts of happy gratitude go out to the whole community.

So do your part to make it a Merry Christmas at the Ulster County Tuberculosis Hospital this year.

Pulaski, N. Y., Nov. 26 (AP)—A member of Ringgold Fire Company today shared honors with the proverbial "absent-minded professor."

The fire-fighter, aroused by his landlord at an alarm, hurriedly dressed, dashed out into the street and discovered he had forgotten his boots.  
Returning to his room, he looked into a full length-mirror to find he was carrying the boots in his hand and that he was wearing a baseball suit.

**Theatre Group Endorses Plan**

A special meeting of the entire membership of the Ulster County Theatre Association, held at Byrne Brothers Hall, Kingston, on Wednesday evening, a unanimous decision was reached that the association should go on record as actively interested in the acquisition or rental of its own building.

Harvey Fite of Bard College, at a previous open meeting, had explained to members and patrons of the organization how Bard College had been able to build its own theatre at very small expense due to the activity and interest of students of the college. Mr. Fite like other speakers and other advisers of the association expressed the conviction that a building was the best means of establishing the association as a definite center and as an important institution in the county. This has been the experience in other cities, all over the country.

Because of the above, and at the suggestion of the treasurer, Arthur Jare, the member has decided that the association should incorporate under the membership corporation law of the State. A motion was made by Harlan Wilb and duly seconded that the association should incorporate and that the present executive committee should be empowered to acknowledge the Certificate of Incorporation to directors and act as such until

the first annual meeting of the newly founded corporation.  
The name of the corporation would be "Ulster County Theatre Association, Inc." The territory in which the corporation would operate would be principally Ulster county. Its offices would be located in Kingston. The by-laws would be substantially those embodied in the booklet issued by the association.  
As a further convenience, the membership decided that a full meeting of the entire membership would be held upon the second Thursday of every month, to be followed by a meeting of the executive committee or board of directors.

# ASSOCIATED PRESS PICTURE NEWS

**HE BARKED HIS WAY TO GLORY** and a bright red medal. Early one morning in Chicago, Tober, alert little terrier, smelled smoke in the room. So insistent a barking and whining he set up, that his master and mistress and many other residents of the apartment building awoke in time to extinguish a fire. So the Illinois Humane Society awarded him the badge.

**A LIBERAL IN WAR**, torn by forces which surround her family, is portrayed by Actress Ethel Barrymore in a new Broadway play, "The Ghost of Yankee Doodle."

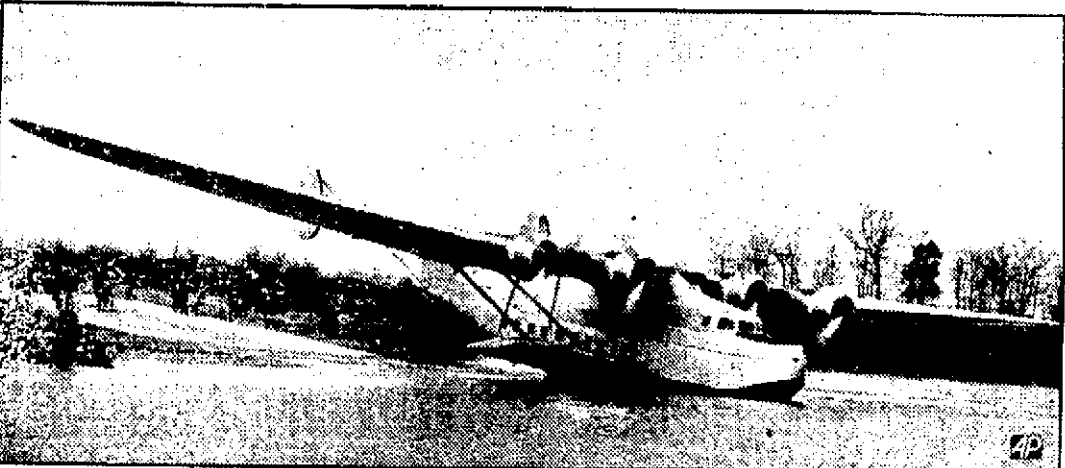

**FOR TIRED EYES**, strained by hours of scanning volumes at London's famed Sunday Times book exhibition, Diana Mannerling, beauty winner, offered relief.

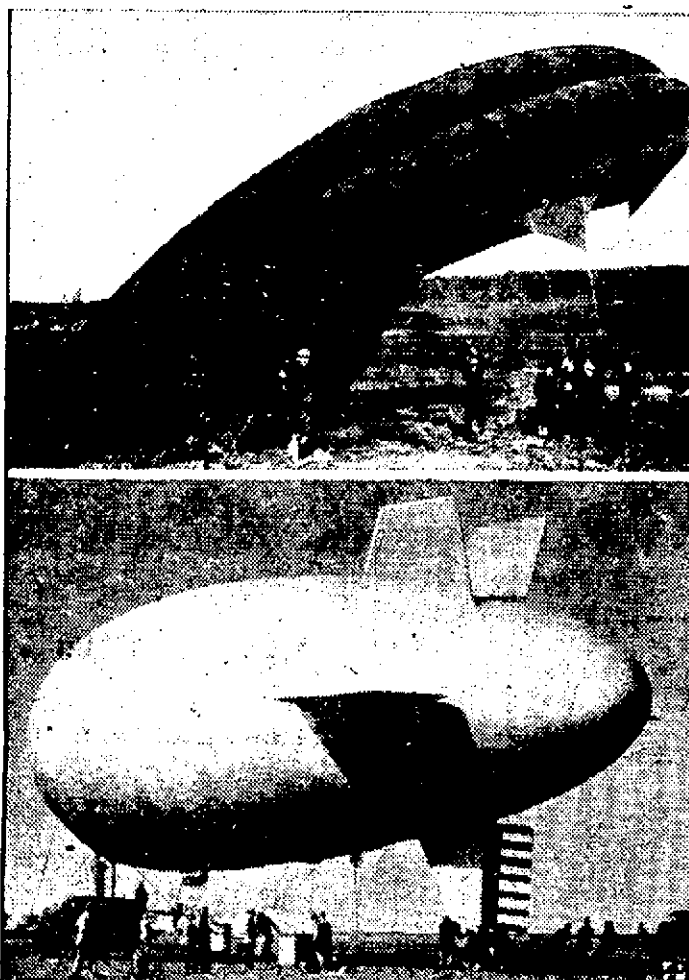

**A LEATHER LUGGER, ROSEBOWL BOUND** is California's hard-driving halfback, Sam Chapman (left), shown going places in a big way in the annual "Big Game" against Stanford which resulted this year in victory for the Golden Bears and the right to play an outstanding eastern opponent in Pasadena New Year's Day. In this unusual action picture, three Stanford tacklers are attempting to bring down the brilliant Berkeley back.

**MORE THAN FUR AND FINERY** surrounding Britain's royal welcome to young King Leopold of the Belgians (left) was attributed by observers to the political and commercial importance of his official visit to London. Here he rides with the Duke of Kent (right) to receive the Lord Mayor's welcome.

**FOR RUSSIA'S FLYING VOLGA BOATMEN** this monster clipper ship, largest ever constructed in America, was launched at the Glenn L. Martin company's Baltimore plant. Room for 46 passengers is provided in the air leviathan whose 63,000 pounds are borne on a wing span of 157 feet. Its four 1,000 horsepower motors are capable of carrying the ship at a speed of 140 miles an hour from New York to Moscow non-stop.

**THE OLD FALLS, THE NEW RISES** as balloons burst into the news. Top is an old "sausage" type bag which broke away and was wrecked in eastern France. Bottom is the U. S. Army's new motorized type being tested successfully.

**HE BATTLES ILLNESS** to carry on the papal duties. Here is an exclusive Associated Press photo of Pope Pius XI, his most recent portrait, which shows clearly the strain recent poor health has imposed upon him. Just a year ago the pontiff was critically ill, but rallied against great odds.

**GERMANY'S ACE** of speed in the air is Chief Engineer Wurster (above) of the Bavarian Motor Works who recently flew a land plane at 381 miles per hour.

**BACK HOME** in the U. S. is Screen Actress Marlene Dietrich after a tour of Europe in which she omitted Germany, where she was described as a "traitor."

**ANOTHER GHOST GALLOPS** the gridiron of Illinois, ten years after "Red" Grange. He is Wild Bill De Corveant (above) of Chicago's Austin high school. In six games the amazing prep flash rolled up 186 points to become the nation's leading scorer in football, be it high school, college or professional.

**FROM THE PAST HE BROUGHT A REMINDER** to New York's bustling crowds to buy Christmas seals and aid a campaign against tuberculosis. Into Manhattan's already noisy streets was injected the clanging of a bell and the shout of a town crier, borrowed from Provincetown, Mass., which during 200 years has never abandoned the office. Amos Kubick in his black suit of Pilgrim pattern is shown crossing Fifth Avenue behind a policeman.

**FIRST AID TO DOCTORS** is this new microscope with lamp attached, invented by Dr. J. Pick of Vienna. During operations human organs can be seen, enlarged 700 times.

**AFTER SHANGHAI IT'S THE 'SHAG'** or the 'Big Apple' of Japanese dancing that amuses these soldiers of the Rising Sun who rest on Shanghai's outskirts, as Chinese retreat to ward Nanking. Here's a guard detachment resting in the grass and getting a hearty laugh out of the performance of a buddy. But most troops did not wait long before pushing ahead on a wide front as defenders of "the good earth" took up a new stand.

Tough Customer.  
Chicago—Bartender John Campobasso never liked arguments. The one he had with Edwin Zagar, 27, a customer, ended abruptly when Zagar pulled a pistol from his pocket. Casting composure to the winds, Campobasso reached behind him, picked up a bottle and broke it over his customer's head.  
When police arrived Campobasso was moody. "Why," he yelled, "why couldn't I have picked up a beer bottle instead of port wine?"★ TONTINE ★
